Fergie Where Is God When It Hurts? Philip Yancey,2010-02-23 Gold Medallion Book Award Winner Over a million copies sold An inspirational classic for more than thirty years Where Is God When It Hurts honestly explores pain from physical wounds to emotional and spiritual pain and sheds new light on God's presence in our suffering How can a loving God allow this to happen God is either all loving or all powerful but he can't be both You've heard that question and perhaps you've even asked it yourself When a loved one dies we receive a terminal diagnosis or natural disasters strike people often wonder whether God is the cause of suffering and why he doesn't immediately take away the pain or fix the situation As a result we become angry at the once beloved God who betrayed us Bestselling author Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept without blame anger or fear what we don't understand Along the way he answers questions such as Why is there such a thing as pain Is pain a message from God How should we respond to suffering How can we learn to cope with pain Where Is God When It Hurts speaks to everyone who thinks that suffering doesn't make sense With compassion and clarity Yancey brings us one step closer to finding an answer when our pain or the pain of those we love is real and we are left wondering where is God when it hurts One of the most helpful treatments of the problem of evil that I've ever read If I were looking around for something to give to individuals who are going through travail or difficulty this is the book I'd recommend Dr Vernon Grounds former Chancellor of Denver Seminar
