*Discovering Us (True Love, Book 1)* Harper Bentley, 2013-09-19 They wanted forever but sometimes forever's not that easy. Ellen has loved Jagger since she was five and he was seven when they kissed through the chain link fence at school. She's had their wedding planned since she was twelve and is ready for a happily ever after with him but life just isn't that neat and tidy. Although they lost contact over the years which broke her heart during Jag's senior year in high school sophomore Ellen catches his eye once again and their friendship is back on. When things between them gradually develop into something more Ellen wants to give herself completely to Jag but he's not so sure he wants to risk their relationship in taking things to the next level. When Jag is drafted to the Dodgers as the hot new pitcher of the team Ellen decides to go with him transferring colleges and leaving her friends and family behind. But things get more and more complicated when busy schedules a slimy agent and a supermodel disrupt their lives which makes Ellen question whether they'll ever get their perfect forever. This is the first book of the True Love Trilogy. Due to language and sexual content this book is not recommended for readers under age 17.

*The BFD* Harper Bentley, 2017-09-30 What do you do when you're being sued by a sexy professional football player? Whatever the jerk asks Calder Castleman nailed the top three spots on my Never Not EVER dating list. Arrogant Pro athlete PLAYER Which means he's a triple threat of thou shalt not. His cocky attitude had me immediately putting him on ignore but Never Not EVER list. Be damned those mischievous hazel eyes that gleamed with his every dirty thought along with that body of his holy smokes that body suddenly had me agreeing to go on exactly one date with him. Oh And the lawsuit he's threatened me with also might've helped persuade me. I'm known as The Big F%ing Deal. Just ask the fans. My job is to throw touchdown passes that win games and I get paid millions to do it. Not only was I named the AP Player of the Year for two years running most recently Petra Hyatt Hollywood gossip blogger anointed me with the same title. She just wasn't referring to football. Yeah yeah I know I sound like an a-hole but ladies come on. Can I help it if I'm hot charming and well hung. In all honesty I'm really a pretty nice guy once you get to know me. But Rori Flannigan possible girl of my dreams doesn't want to get to know me. Matter of fact she couldn't care less that she screwed with my love life and made me look like an idiot. So I'm going to make her care. And once she sees what a great catch I am she'll beg me to drop the pending lawsuit make her mine. Because who wouldn't want to be with me? I'm The BFD.

*Unbreakable Hearts (CEP #2)* Harper Bentley, 2014-04-26 Tilly Maxwell is a freelance photographer in New York City who happens to take the right photo at the wrong time. While on a shoot she captures in the background of one of her pictures a man who's just committed a murder. A man whose perfect crime has now been foiled because of chance. Because of one ill timed click of the camera a photographer must be silenced and Tilly's now on the run for her life. John Osby Oz an ex Army Ranger who is now one of CEP's best is shocked to see Tilly when she calls on the agency needing help. Talk about a blast from the past. They'd attended high school together and he remembers her as the quiet adorably awkward and somewhat nerdy photographer he'd had a crush on but

because their lives were so different he didn t dare cross the line with her except for one drunken kiss But now they re older she s blossomed into a real beauty and he intends on crossing any line he can to protect her and have her as his own A woman who adamantly guards her heart encounters the one man who may be able to break down her barriers When the past collides with the present boundaries will be pushed and unbreakable hearts will be tested to the limit
