**Seed of Glory Journeying with the Holy Spirit** Benjamin Okon MSP,2016-04-23 What has come to assume the form of seed of glory is an extract from my experience of God in the Holy Spirit Its a journey that began as a search for meaning and fulfillment in life I had studied the sacred scriptures for various reasons in the past to write exams to give a talk or just for curiosity to know and acquire knowledge But this time I wanted to encounter God on the pages of the sacred writings Since the Word of God is spirit and life I desired to encounter the power of the spirit through the written words of God This was my starting point for my journey with the Holy Spirit I had very strange experiences that words cannot express At a point I was commissioned to commit my experiences to writing That was how I came about the Seed of Glory Journeying with the Holy Spirit The work is written in twenty two chapters The first chapter deals with Rhema The Power of the Spoken Word of God the second chapter presents the Anointing of the Holy Spirit the third chapter

Teaching with Authority the fourth chapter Church Election the fifth chapter Forget Ye the Things of the Past Isa 43 1819 the sixth chapter Mary the Ideal Mother Luke 1 26 38 the seventh chapter Jesus in Agony the eighth chapter The Paschal Mystery the ninth chapter The Power of Authentic Worship of God John 4 24 the tenth chapter The Voice and the Voices eleventh chapter A Curse and a Blessing twelfth chapter Put on the Whole Armour of God thirteenth chapter The Track Route of the Holy Spirit fourteenth chapter The Power of Spiritual Connection fifteenth chapter Baptism of the Holy Spirit sixteenth chapter Gifts of the Holy Spirit seventeenth chapter Angels Archangels and Guardian Angels eighteenth chapter The Gift of Speaking in Tongues and Its Interpretation nineteenth chapter 666 The Number of the Beast twentieth chapter Exposing the Jonah in the Boat Eph 1020 twenty first chapter The Temptation twenty second chapter Recovering Our Exalted Position Joel 2 2527 It is my hope that my little shared experience of God in this write up might help shade some light on certain aspects of our human day to day experiences in our relationship with God and with one another

**Praying Personalities** Janet Holm McHenry,2024-02-13 Discover the particular way God designed you to connect with Him through prayer You should pray in the morning You should write out your prayers You should make prayer lists and pray through them every day You should pray with others or out loud We ve all heard the you shoulds of prayer from pulpits presenters and well meaning friends But when none of these ways to pray feel natural what s next Janet Holm McHenry has studied prayer extensively and the one thing she knows for sure is that there s no one size fits all way to pray Instead there are different styles of prayer and by discovering the style most instinctive to each individual personality staying in touch with God throughout the day becomes simple and all the more joyful In this book the author helps readers determine their particular praying personality by examining the praying styles of biblical people spiritual gifts and various ideas about personality including the classic temperaments the Enneagram and more McHenry includes scores of bulleted suggestions for developing a praying lifestyle that works for individuals She has also created a Praying Personality Quiz for readers available in the book and online to help narrow down the style that will most naturally fit into how they process a prayer life Whether a longtime Christian who has tried various prayer strategies but can t keep up or a new believer looking to learn about this spiritual discipline every reader who dives into this book will come away with a renewed prayer life and a greater understanding of who God created them to be

**Foundational Discipling Principles** Robert Straube,2010-04 After 22 years of prayer study ministry observation and seeking God s will through it all the burden in my heart to teach disciples and raise up Church leaders who are grounded in solid foundational principles has escalated into a powerful fervor Therefore my spirit has been compelled to put these

principles into writing for the edification of the glory of the Lord for His kingdom Many of these things have been taught in various forms and or pieces It has been my longing to put this to an organized instructional tool that will firm up the believer s heart and mind and establish a solid foundation for disciples to build their calling upon thereby launching the disciple s ministry for the purpose of accomplishing God s will for their lives Like a drop of water spilled into a pool and rippling outward it is my expectation that these teachings will ripple out into the world and change many lives Dr Robert Doc Straube was born in 1950 in Bethesda Maryland Growing up as a US Navy dependant he lived all around North America Hawaii and the Caribbean finally settling in the Seattle Washington area During his early college life he earned Ph Ds in Psychology and Business Economics While teaching and studying at different institutions Doc continually sought for spiritual truth studying various religions and philosophies Finally through God s grace he received Jesus Christ as his personal Savior and became a born again Christian in 1981 The Bible became his one and only source of truth Desiring to have a complete and full relationship with Jesus Christ he earned his third doctorate in Divinity CHURCH LEADERSHIP Through the love of Jesus Christ Doc and his wife Jackie fulfill their call and commitment by helping the Church raise up disciples and training them to fulfill their ministry callings in Jesus Christ **A Commentary, Critical, Experimental, and Practical, on the Old and New Testaments, by the Rev. ### **Understanding the Gift of Tongues: Personal Handbook on the Gift of Tongues**

Adebodun Joshua,2019-11-09 In John 6 63 the response of our Lord Jesus Christ to His disciples when they were murmuring about His teachings was the words that I speak unto you they are spirit and they are life This response helps us to understand that the spoken and the written word of God is full of life But it is through the spirit the life of His word is manifested As a Bible Student and teacher I specifically wanted to know more of the three common texts on the gift of tongues namely Mark 16 Acts 2 and 1Corinthians 14 Since those are the most quoted scriptures on the gift of tongues While studying these texts I realized that the tongues promised in Mark 16 and the one spoken in Acts 2 has a different adjective qualifying the word tongue Therefore to understand this gift of tongues we have to agree with the Biblical writers why they include these adjectives New and Other to the word tongue and why these adjectives never appear again in all the places the gift of tongues is mentioned in the Bible Hundreds of articles have been written concerning this topic but without the notice of these two adjectives we will still not have a complete understanding about the gift of tongues In this book I explore the reality of the gift of tongues in its fullness in the light of these two adjectives that precede the word Tongues as recorded in the Bible I addressed the true Biblical meaning of the tongues described by Apostle Paul in 1 Corinthians 14 and deal with issues concerning the gift of tongue and finally responded to some thought provoking questions that the reader might want

some lights on Questions I have asked myself on this gift of tongues the one I heard people asked and those that came to me in the process of writing this book I pray this book will restore light on this contentious topic for the power of unity is with understanding    **The Importance of Outsiders to Pauline Communities** Emma Louise Parker,2024-06-13 This book argues that despite Paul's often dramatic and critical descriptions of non Christians his letters reveal a deep concern for the presence of outsiders and for their opinion of Christians Parker suggests that outsiders are enormously important to Paul they determine whether Christian communities dwindle or thrive while also playing a key role in helping such communities to understand and shape their purpose as missional disciples develop their thinking and practice around normal daily events and relationships and even shape how they understand God Parker offers a careful exegesis of the main texts within the Pauline corpus revealing a sensitivity to the outsider including 1 Thessalonians Romans 1 Corinthians and the Pastoral Epistles By using Social Identity Theory she explores key concepts of group boundaries identity and inter group relations highlighting a theme which is significant in Paul's own thought the importance of similarity between groups Whilst not denying the counter cultural identity of the new Christian communities Parker concludes that Paul reveals the areas of overlap between insiders and outsiders since these areas not only create opportunities for positive opinions and relationships but also point to a greater understanding of God    The Seventy's Course in Theology Brigham Henry Roberts,1912    **The tongue of fire; or, The true power of Christianity.
