Words from Awaki Bernetha George MD, 2014-11-20. Don't believe the hype, believe what you see. Apocalypse as we have come to fear is not apocalypse as it truly is. We live today in the time of apocalypse and for some it is pure torment. For those around the world living with bombs raining down on them, yes, that is apocalyptic torture as we feared. For those thousands and millions throughout the universe visited and killed by the deadly flu and flu-like diseases: SARS, swine flu, bird flu, West Nile virus, etc., Ebola, tuberculosis, measles, cholera, dengue fever, EV D68, and HIV/AIDS, yes, those are apocalyptic diseases as we feared. For those ravished, killed, left homeless, and totally dispossessed by these record-breaking seemingly wicked weather events we are currently experiencing, yes, they would agree that these are for certain apocalyptic changes as we feared. However, given there are over seven billion of us on the planet and those apocalyptic events mentioned have only killed millions, not billions of us, they don't seem to rise to the level of chaos and destruction we have been conditioned to fear as being apocalyptic. Nevertheless, our over-exaggerated, deep-seated, and conditioned fears notwithstanding, Armageddon is upon us, and the signs of it have been for almost twenty years that we know of. Those above-mentioned apocalyptic occurrences are the signs we were all told would be by John the Revelator in Revelation, November 1995 to May 1996: no fewer than seventy of us were told by an angel, Awaki and his Angels of God, that the signs had already begun and that Armageddon would begin in the year 2000. Our story, no matter how far-fetched it may seem, is true. The evidentiary events of war, disease, and bizarre weather changes we witness daily provide for us the credibility of what we were told. The angel Shakardak told us: Some will see and they will believe, some will not see and they will believe, some will hear and they will believe, and some will not hear and they will believe, and then there will be those who will see and they will not believe, and there will be those who will hear and they will not believe.

Plato, the Man and His Work Alfred Edward Taylor, 1926. The World To-day, 1909. Understanding the Man You Love Rick Johnson, 2016-01-26. Men are fairly simple creatures with fairly simple needs. Yet women often find themselves frustrated trying to understand those needs in order to improve their marriages. Many wonder: What does he expect from me? I'm doing everything the best I can. Doesn't he know I'm at the end of my rope here? Relationship expert Rick Johnson ends the guessing game, giving women an open and honest look inside the world of a man's needs and helping them understand how best to use their influence to have a satisfying and exciting relationship. Rick delves into the not-so-mysterious, after all, world of a man, highlighting his need for respect and admiration, his sexual desires, his communication style, his work, his emotions, and even his relationship with the other woman, his mother. Women will appreciate Rick's candor, humor, and insight as they discover that the marriage of their dreams is closer than they ever thought it could be.
