Unended Quest K. Popper,1982 **Kuhn's Intellectual Path** K. Brad Wray,2021-09-30 Examines the influences on and impact of Thomas Kuhn s The Structure of Scientific Revolutions *Karl Popper's Philosophy of Science* Stefano Gattei,2008-10-16 This book seeks to rectify misrepresentations of Popperian thought with a historical approach to Popper s philosophy an approach which applies his own mature view that we gain knowledge through conjectures and refutations to his own development by portraying him in his intellectual growth as just such a series Gattei seeks to reconstruct the logic of Popper s development in order to show how one problem and its tentative solution led to a new problem *Political Violence* Panu-Matti Pöykkö,Pamela Slotte Russo,Viljami Salo,2024-11-18 This volume brings together scholars from intellectual history social sciences philosophy and theology to evaluate central questions concerning political violence and aggression This multidisciplinary collection of essays critically investigates forms and modes of justification of political violence from historical and contemporary perspectives especially within the context of the development of the idea of Europe and modern European identity What is meant by political violence and aggression When and under which conditions is it justified Who has the right to exercise it and against whom Answers differ depending on various factors such as pre established ends available resources and possibilities of action historical and socio economic context the ideological political and religious theological background of the actors The volume pays special attention to a how the above questions have been addressed and answered political philosophical and theological thought and b what kind of ideological currents and historical events lay at the background of such considerations Due Process of Inquiry, says Waltz Joan Schmidt,2016-09-01 Due

Process of Inquiry says Waltz is a book about theory on political plate tectonics launched by Kenneth N Waltz 1924 2013 in his very well known book Theory of International Politics a book that establishes his work as neo realism Waltz's core theory depicts in a tentative axiomatic system his chief postulate of the two co existing political systems namely the complementarity of hierarchy and anarchy complementary as defined by Bohr It is empirical theory that measures power in the political anarchy in polarity judged on the standards of Sir Karl Popper It is also theory that can serve as framework for logics of situation as they spring from the distributional structural dynamics To capture the fundamental logic of pole's behaviour Waltz imported the principle of survival motive and the notion of selection from Darwinian theory Natural selection is the empirical principle that bridges Darwinian theory with Popperian falsificationism and Waltzian structural political theory Natural selection simply resembles falsification From the point of view of humanism it is to be remembered that the Darwinian principle of survival and the mechanism of selection are no choices on the part of Darwin Popper Waltz behaviourist scientists or anybody else It is no political preference It is an empirical principle It merely so happens in life

Rethinking Vienna 1900 Steven Beller, 2001 Fin de siècle Vienna remains a central event in the birth of this century's modern culture This text offers alternative ways of understanding the subject through the concept of critical modernism and the integration of previously neglected subjects *Karl Popper's Response to 1938* Peter Markl, Erich Kadlec, 2008 When Karl Popper received the news of the events in Vienna March 1938 in his New Zealand exile he decided to start working on two books which became classics in political philosophy his theory of an open democratic society The volume deals with the lasting significance of Popper's thoughts and aspects of the genesis of The Poverty of Historicism and the two volumes of The Open Society After an essay on Popper's personality and philosophy the following essays deal with the difficult search for the remnants of the manuscript of Popper's first book on epistemology with the birth of the Open Society Popper's ethics his path from evolutionary biology to his late evolutionary thinking and the role of Popper's objective knowledge in a modern knowledge society **International Philosophical Quarterly**, 1987 Unended Quest Karl Popper, 1977 *Politeia*, 1999 English and Afrikaans with abstracts in English **Words and Life** Hilary Putnam, 1994 As the first four part titles in the volume The Return of Aristotle The Legacy of Logical Positivism The Inheritance of Pragmatism and Essays after Wittgenstein suggest many of the essays are concerned with tracing the recent and the not so recent history of these problems **RSA Journal** Royal Society of Arts (Great Britain), 1991 **Prospero**, 2000 What Art is Louis Torres, Michelle Marder Kamhi, 2000 The co editors of the scholarly but gutsy little periodical *Aristos* present and support the less well known position of philosopher novelist Rand 1905 82 in debunking what passes for modern postmodern art Appends a list of alleged new forms of art and artworld buzz words A third of the book consists of notes and references Annotation copyrighted by Book News Inc Portland OR
