Unexpected News Reading The Bible With Third World Eyes:

Unexpected News Robert McAfee Brown, 1984-01-01 Describes the ways that Asian African and South American Christians interpret the Bible especially the story of Jesus life **It Comes from the People** Mary Ann Hinsdale, Helen Matthews Lewis, S. Maxine Waller, 1995 An Appalachian community develops a theology of liberation **Pedagogies for the Non-Poor** Robert A. Evans, Alice Frazer Evans, Dr. William B. Kennedy, 2000-08-23 Rooted in Freire's pedagogy for the poor the authors provide educational models aimed at transforming the non poor and breaking down the ideology of privilege Includes eight case studies followed by teaching guides discussion questions commentaries and authors analysis

Reclaiming the Bible Robert McAfee Brown, 1994-01-01 In this series of messages based on scripture the author demonstrates the vital applications of the Bible for our times dealing first with the greater words of faith such as love grace and reconciliation It then sheds light on various events in Jesus life and beyond A third group of messages shows the Bible addressing social issues such as sexuality and violence **Invitation to Theology** Michael Jinkins, 2001-01-26 Michael Jinkins invites you to walk through the theological maze as you follow the pattern of the Apostles Creed and consider the most profound reflections on Christian belief to be found through the ages **Holy War in Ancient Israel** Gerhard von Rad, 1991 This is a print on demand book and is therefore non returnable From the earliest days of Israel's existence as a people holy war was a sacred institution undertaken as a cultic act of a religious community The concept of holy war an intriguing and sometimes disturbing theme in the Old Testament is given its most articulate expression in this classic study by the distinguished German scholar Gerhard von Rad For Israel the most important feature of holy war was the demand for faith in Yahweh's saving acts However von Rad argues it was not Yahweh alone who acted rather because they envisioned Yahweh fighting in their behalf the Israelites themselves were inspired and obliged to fight even harder In this regard the actual events differed vastly from the picture given by the biblical narratives which downplay and often exclude the human factor and stress the exclusive warlike action of Yahweh thus equating holy war with absolute miracle So persuasive was von Rad's work on the Old Testament understanding of holy war that it set the standard for all subsequent work on the subject Appearing here in English for the first time this definitive study will prove valuable not only for students and scholars but for anyone interested in the theory of holy war and its development throughout biblical history Ben C Ollenburger professor of Old Testament at Associated Mennonite Biblical Seminaries has written an introduction to the book An annotated bibliography by Judith E Sanderson assistant professor of Old Testament at Princeton Theological Seminary brings the work up to date with current research *Critical Faith* Joni Schwartz-Chaney, 2024-04-23 Near hysteria has erupted in the media state and federal legislatures community boards and churches around critical race theory CRT Despite the term's history development and clearly defined meaning it has become a catch all for white America's fears deflections and equivocations on race society and the law Christians are no exception Their critiques routinely claim that CRT is rewriting of American

history that it is anti democratic and even heretical Critical Faith presents a counter argument to these claims and insists that CRT is a tool to grapple with the thorny issue of race in both society and the church In a reasoned tone Critical Faith defines the origins of CRT explains what the theory is and demonstrates its merits from teaching experiences of the author Schwartz Chaney argues that CRT is the victim of what Patricia Williams calls definitional theft and that by recovering its original meaning Christians can move past mischaracterizations and caricatures toward a more nuanced view of race racism and the tools available to make progress in the church and in society
