Union and Confederate Secretaries of the Navy Royce Lee Smith,1995    Five Flags Stuart Buxton,2025-05-20 From the American Civil War to the Meiji Restoration one ironclad warship shaped the fate of three nations across four decades of global conflict Five Flags tells the story of a Confederate ironclad built in secret discovered by Union spies sold to Denmark returned to France and ultimately delivered to Japan Intended to break the Union blockade the ship never fought for the Confederacy but instead moved through European powers before reaching Japan where it played a role in the Meiji Restoration Armed with a 300 pounder cannon five inches of armor and a twenty foot ram the vessel traveled from French shipyards to Spanish harbors through Atlantic storms and across the Pacific to become part of Japan s modernizing fleet This is a riveting history that details the evolution of warfare Stuart Buxton provides a wealth of information on maritime history here told in both fact and personal stories of the crew members who served onboard Five Flags is a fascinating chronicle of the international

relationships that determined the ship's fate Independent Book Review The book follows the ship's path through the civil wars of the United States Germany and Japan showing how one warship connected key turning points in modern history
