Unions For Beginners:

Unions For Beginners David Cogswell,2012-10-16 Do you appreciate your forty hour five day workweek Appreciate having a safe working environment Unions made this all possible in one way or another Unions bring value to all sectors of a society As the champion of people power versus corporate power unions help to spread the benefits of production throughout a society Regardless of the state of the economy there is the timeless struggle of workers trying to gain or retain their rights However a vast amount of Americans including union members are unaware of the full history of unions and how they have impacted the American workplace today Unions For Beginners provides an introduction to that essential history Written and illustrated in the user friendly accessible style of the For Beginners series Unions For Beginners presents the epic story of the labor movement in a simple memorable way The role of unions in empowering working people to rise above unfair payment and work conditions to become full fledged participants in the American dream they helped to build is told in vibrant detail Unions For Beginners presents the history of unions and the labor movement the principles underlying union organizing the decline of unions in the shadow of the rising corporate state and the resurgence in the 21st century of union activism

On Labor & Foreigners in Turkey for Beginners Sadık Sözer ÇİZMECİ,2022-03-14 For the formation and preparation of this book my previously published articles which are available on my personal blog sozercizmecı com tr have been compiled As a Human Resources Professional with experience for more than ten years I have been working and writing in particular with respect to the recent legal developments in the fields of Labor and Foreigners with a great interest and joy Throughout my professional career my entire working life has focused on these relevant two terms Because of working in a multinational culture I have always fully believed in the success of the combination of the local and global and achievement of a balanced compromise between these two Thus the non comprehensive list of topics mainly discussed in this book specifically provides information with respect to the principles and procedures within the framework of the Turkish laws regarding the interaction between Labor and Foreigners Nothing in this book shall be deemed as a comprehensive review of the relevant Turkish legislation This book has been prepared as a portfolio of my works as well as a beginners guide for those interested in understanding the basics of the most relevant Turkish principles especially in the fields of Human Resources Expatriates Immigration and International Non Governmental Organizations This book only contains general information not any professional information or legal advice Though I have shown ultimate attention during the formation preparation and control of the information provided in this book as to ensure its accuracy I shall not be held responsible for any error omission or inaccuracy herein All developments until 25 January 2022 have been taken into consideration All articles are also available at sozercizmecı com tr which is active since 2008
