Surgeon-General's Office, 1916 **The U.S. Army Infantryman Pocket Manual 1941-45** Chris McNab, 2021-09-30 A compilation of information presented in United States Army World War II training manuals and tactical documents The battle for Europe in 1943-45 was one of the greatest military challenges in the history of the U.S. Army

Fighting against often veteran German forces from the mountains of Italy to the beaches of Normandy and the frozen forests of the Ardennes hundreds of thousands of U S infantrymen had to move quickly beyond their training and acquire real world combat skills with extraordinary pace if they were to raise their chances of survival beyond a few days They fought in an age of total war in which the enemy deployed heavy armor artillery air power and their own infantry firepower in a battle of true equals Without the drive and blood of the U S Army infantry the Allies could not have defeated the Wehrmacht in Western Europe Extensive documentation was provided for the in theater U S Army infantryman from booklets rather misguidedly advising on how to behave in foreign countries through to field manuals explaining core combat tactics across squad platoon company and battalion levels This pocket manual presents critical insights from many of these sources but also draws on a broad spectrum of intelligence reports after action reports and other rare publications Together they give an inside view on what it was like to live and fight in the U S Army infantry during arguably the most consequential conflict in human history Praise for The U S Army Infantryman Pocket Manual ETO MTO 1941 45 This guide and explanation of Army tactical doctrine is a welcome addition to Second World War literature The Journal of America s Military Past

The Warrior Ethos and Soldier Combat Skills United States Army, Maneuver Center of Excellence, Department of the Army Headquarters, 2014-01 This training circular provides all Soldiers the doctrinal basis for the Warrior Ethos Warrior Tasks and other combat critical tasks It also updates weapon equipment and munitions information This FM is not intended to serve as a stand alone publication It should be used with other Army publications that contain more in depth information Fully illustrated throughout
