E-commerce Kenneth C. Laudon, Carol Guercio Traver, 2007 In today's evolving business environment E-commerce business technology society introduces students to the concepts and practice of electronic commerce. This book emphasizes the three major forces behind e-commerce: business fundamentals, technology, opportunities and social issues. In every chapter these three themes come alive with the discussion of e-commerce concepts in the areas of economics, marketing and information technology and with the presentation of real world e-commerce business cases and stories. The result is a coherent framework for organizing a complex topic which promotes a clear understanding of how e-commerce is evolving.
