[Lincoln's Assassin](#) J. F. Pennington, 2015-04-07 A riveting fictionalized confessional of John Wilkes Booth that evokes a world of conspiracy political duplicity and theatricality In 1890 actor John Wilkes Booth long presumed dead emerged from twenty five years of anonymity in his wilderness refuge to expose those truly responsible for the Lincoln assassination and its ensuing cover up to unite with the children he had never known and recover what he might of his sense of purpose and dignity After shooting President Abraham Lincoln Booth fled into the night and government reports claimed he was killed twelve days later But the man who was shot in the head and burned in a tobacco shed fire before being covertly transported to Washington was never fully identified Friends as well as members of America's premier family of the theatre of which he was a member were barred from even viewing the body the only photograph taken of the corpse was never printed and then lost and a strangely ceremonious martial court presided over a secret burial Rumour immediately began to circulate Booth was still alive In Lincoln's Assassin Jeffrey Pennington presents Booth's own story of flight and return detailing how another was shot in his place as he escaped to nominal freedom and obscurity leaving behind all his personal belongings and the stage life he once knew The larger conspiracy in which he was embroiled is unpicked in stylish fashion exploring the political landscape in which Lincoln lived and died Written in a confessional style it aims to offer an insight into the true motivations at the heart of the Lincoln assassination an event that continues to be the subject of much theorising and interest Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home     **[The True Latter-Day-Saints' Herald](#)** , 1875     [Lectures on important doctrines of the true Christian religion](#) Samuel Noble, 1872     **[The Salvation of Maven Storm](#)** Rick Krietemeyer, 2021-04-07 Do you think living the Christian life is hard Many do and it can be Do I really have to forgive everybody Do I really have to tell others about Jesus It is filled with

religious rituals and commands that may seem like a dictator is at work It may seem exasperating at times If this is true for you you may have found the love of God but not the love for God When you fall in love the commands of God are no longer difficult The Salvation of Maven Storm helps the Christian develop this covenant relationship and dispels the idea of Christian slavery Just as Jesus told parables to help the people understand God and heaven The Salvation of Maven Storm uses personal stories to explain theological truths It explains how Christianity is about a relationship and not a bunch of rituals and rules to follow It explains exactly why and what God wants and expects of this relationship It explains the riches God offers us in return Overall the entire book is about what it is like to be in a covenant relationship with Jesus The relationship is so much more than life itself **Computerworld** ,2003-03-31 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network Transactions and Proceedings of the New Zealand Institute New Zealand Institute,1930 The proceedings or notices of the member institutes of the society form part of the section Proceedings in each volume lists of members are included in v 1 41 43 60 64 *Official Report of the Debates of the House of Commons* Canada.
