## No Burning Permit To Be Issued

The Sachse Fire Department would like to thank all of its residents for their regard to their burning ordinance by requesting and obtaining burning permits to burn brush, etc.

At this time the fire department will stop issuing burning permits until such time it can be safer to burn, the reason being the hot, dry weather which we are having without any rain. The fire department will begin to issue permits again just as soon as it rains or is safer to burn.

We do hope all residents will cooperate. And Not Burn, by helping us to help you.
