## **Understanding Medjugorje:**

*Understanding Medjugorje* Donal Foley, 2006 *Understanding Medjugorje* is an in depth investigation into some of the most surprising but also most influential spiritual phenomena to have affected modern Catholicism Millions of people have visited the site of the alleged visions of the Blessed Virgin Mary at Medjugorje despite the fact that they have received no official Church approval *Understanding Medjugorje* will help readers to understand how important Church figures including Pope John Paul II and Cardinal Ratzinger now Pope Benedict XVI have actually viewed Medjugorje It also looks at the role of influential priests and theologians in promoting Medjugorje and the tangled historical and religious background to the visions Similarly it deals with the links between the visions the Charismatic Renewal and the worldwide Medjugorje movement as well as looking at how Medjugorje compares with Fatima and what the successive local bishops of Mostar have said about it The degree of trustworthiness of the visions and the visionaries is also assessed as is the real significance of the Medjugorje good fruits and the reasons why it has been so incredibly popular

*God's Continent* Philip Jenkins, 2007-05-11 Is the Christian church in Europe doomed to collapse under the weight of globalization Western secularism and a flood of Muslim immigrants Is Europe on the brink of becoming Eurabia Though many pundits are predicting just such a scenario God's Continent reveals the flaws in these arguments and offers a much more measured assessment of Europe's religious future While frankly acknowledging current tensions Philip Jenkins shows for instance that the overheated rhetoric about a Muslim dominated Europe is based on politically convenient myths that Europe is being imperiled by floods of Muslim immigrants exploding Muslim birth rates and the demise of European Christianity He points out that by no means are Muslims the only new immigrants in Europe Christians from Africa Asia and Eastern Europe are also pouring into the Western countries and bringing with them a vibrant and enthusiastic faith that is helping to transform the face of European Christianity Jenkins agrees that both Christianity and Islam face real difficulties in surviving within Europe's secular culture But instead of fading away both have adapted and are adapting Yes the churches are in decline but there are also clear indications that Christian loyalty and devotion survive even as institutions crumble The third book in an acclaimed trilogy that includes *The Next Christendom* and *The New Faces of Christianity* God's Continent offers a realistic and historically grounded appraisal of the future of Christianity in a rapidly changing Europe

background as well as its links with the Charismatic Renewal In sum it examines all the relevant evidence about Medjugorje and concludes that despite some good fruits it does not appear to be genuinely supernatural If you want to know the truth about Medjugorje then forty years after the story began Medjugorje Complete offers the definitive account [The Vatican Prophecies](#) John Thavis,2015-09-15 Examines how the Catholic Church evaluates judges and controls miraculous events to determine their authenticity revealing deep internal debates on the power of relics revelations and exorcisms [Medjugorje Revisited](#) Donal Anthony Foley,2011 Medjugorje Revisited 30 Years of Visions or Religious Fraud investigates the alleged visions of the Blessed Virgin Mary at Medjugorje looking at their origins and their impact on the Catholic Church It is an expanded revised and updated version of Understanding Medjugorje which was published in 2006 Since then there have been important new developments including the formation of an International Commission to investigate the alleged visions Millions of people have visited Medjugorje even though it has received no official Church approval Medjugorje Revisited focuses on the transcripts of the original tapes of the visionaries made in June 1981 and the credibility of the visions and the visionaries demonstrating the serious problems involved in accepting Medjugorje as genuine It also examines the role of theologians and the Hercegovina Franciscans in promoting Medjugorje and its tangled historical and religious background as well as its links with the Charismatic Renewal In sum it examines all the relevant evidence about Medjugorje and concludes that despite some good fruits it bears all the hallmarks of a vast religious fraud [\*\*Encyclopedia of Sacred Places\*\*](#) Norbert C. Heart Stjepan Gabriel Meštrović, Slaven Letica, Miroslav Goreta, 1993 With carefully reasoned analysis the authors show how sociological theories of social character propounded by such thinkers as de Tocqueville Veblen and Bellah can shed light on the conflicts in the Balkans which according to conventional wisdom were not supposed to occur when Communism fell They demonstrate that ancient traditional ethnic social and nationalistic tendencies habits of the heart Of the various people of the Balkans have taken precedence over pressures for democracy in the political and cultural vacuum left by the end of Communism in the region Unfortunately the difficulties in the Balkans will persist for a long time to come and similar conflicts could break out in the former Soviet Union This thought provoking book has much new to say about the causes of such ethnic and class conflicts in the region and the feasibility of policies for dealing with these sores *Fidelity*, 1995

*New Covenant*, 1998 *The Paranormal Review*, 2006 **The Hidden Child of Medjugorje** Emmanuel Maillard, 2007 Throughout time man has been in quest of security of peace and of happiness however rare are those who divine that their quest is in reality a quest for God In her new book The Hidden Child of Medjugorje Sister Emmanuel brings a precious contribution to the understanding of this aspiration As the pages are turned this book reveals itself to be a guide It enables us to reach an end which is none other than the Hidden Child the Child Jesus In the apparitions of Medjugorje this Divine Child hides Himself so well in His Mother that at first sight one pays Him no attention But whoever finds the Mother finds the Son Thus will it be for all who read this book
