**The Life Principles Study Series** Charles F. Stanley, 2008-02-19 Revised and updated Dr Charles Stanley's well loved Life Principles study guide series has taken on new life through refreshed content. Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world.

*Understanding Eternal Security* Charles F. Stanley, 1998 Dr Charles Stanley's new series of Bible study guides feature insights and wisdom of this beloved pastor and author. Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world. Each title takes a unique fourfold approach to get the most out of Bible study time: emphasizing personal identification with the Scripture passage, recognition of your emotional response, reflection of the passage's meaning and application, and taking steps to apply what's been learned. This is a sound way to explore the Word of God.

Charles Stanley's Handbook for Christian Living Charles F. Stanley, 2008-10-14 A friendly easy to use discipleship guidebook for every believer. Since life is a journey, feel free to stop and ask for directions. Previously released as the bestselling *The Glorious Journey*, this practical volume by Dr Charles Stanley shows readers how to put God's Word to work in their daily lives. As believers, our desire is to follow the Lord more closely and to utilize His Word for maximum impact in our lives. Occasionally, however, we find ourselves not even knowing the questions to ask or the best way to approach Scripture in search of answers. In this collection, he speaks with authority on such issues as the real purpose of baptism, how to treat others at work, a proper view of those in government, how grace saves us, and how worry robs us what freedom really is. He also shares biblical insight into relationships, children, parenting, loneliness, sexual pressures, as well as strategies for personal growth. From the thorny issues of daily life to a framework for the end times and everything in between, Charles F. Stanley's Handbook for Christian Living brings Scripture to life, makes sense of the hard questions, and enhances your understanding of the way life was meant to be lived.

Success God's Way Charles F. Stanley, 2002-02-03 Success is defined by a continuing desire to be the person God called you to be and to achieve those goals that God helps you to set, says Charles Stanley. In *Success God's Way*, Stanley teaches God's principles for success, including ten steps to help you reach God's goals in your life and what to do about the seven success blockers that entangle believers. Dr Stanley has defined success in a timeless manner: knowing and doing the will of God. When a person knows Christ personally and consistently obeys the principles of Scripture, he is prepared for success God's way. Franklin Graham, Chairman and CEO Samaritan's Purse, CEO Billy Graham Evangelistic Association. In a society that increasingly judges the success of individuals by the clothes they wear, the car they drive, the club they belong to, or the career they choose, the church desperately needs to reaffirm biblical standards. Once again, Dr Stanley has brought clear focus to a timely issue. *Success God's Way* challenges readers to reexamine whether or not they are sacrificing genuine, lasting success on the altar of a worldly, temporary counterfeit and therefore settling for a lot less than what God wants to
