Universal Salvation The Current Debate:

Universal Salvation? Robin A. Parry, Christopher H. Partridge, 2004-03-25 Foreword by Gabriel Fackre Will God one day save all people through Christ's atoning work? That is the question at the heart of the debate in this volume, a debate sure to challenge readers whatever their current perspective. Featuring evangelical writers of exceptional insight and sensitivity, *Universal Salvation* offers a conversation worth everyone's attention. The volume opens with a rigorous three-part defense of Christian universalism by philosopher Thomas Talbott, who argues that Scripture teaches the ultimate salvation of all people, including those in hell. Gabriel Fackre, in his foreword, calls Talbott's work the most thoughtfully wrought argument for universalism to date from within the contemporary evangelical community. The rest of the book gathers incisive responses to Talbott by Christian scholars from different disciplines who evaluate the strengths and weaknesses of Talbott's arguments, take his thought in new directions, or explain why they think he is mistaken. Talbott then responds to his critics. The aim of this volume is not to persuade people that universalism is true but to open up a fairer debate on a controversial subject of continuing importance to theologians and nontheologians alike. By exploring universal salvation from biblical, philosophical, theological, and historical perspectives, the book helps readers think through the issues more carefully than has been possible with resources previously available.

A Catholic Reading Guide to Universalism Robert Wild, 2015-08-14 This reading guide to some of the philosophical and theological literature on universalism offers practical help in providing informed material on a topic that is often treated in a superficial and unenlightened manner. The reader may be surprised to learn that universalism was the predominant belief in the early centuries and that it has always been present in the Christian tradition. Spurred on by Von Balthasar's book *Dare We Hope That All Men Be Saved*, Robert Wild's guide provides current studies that support Von Balthasar's arguments that universalism is a legitimate hope for the Christian.

A Debate on the Doctrine of Universal Salvation Enoch Merrill Pingree, 1845 **The Evangelical Universalist** Gregory MacDonald, Robin A.

Parry, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist? Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved? Can one believe passionately in mission if one does not think that anyone will be lost forever? Could universalism be consistent with the teachings of the Bible? Gregory MacDonald argues that the answer is yes to all of these questions. Weaving together philosophical, theological, and biblical considerations, MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology. This second edition contains a new preface providing the backstory of the book, two extensive new appendices, a study guide, and a Scripture index.

Will All be Saved? Laurence Malcolm Blanchard, 2015-04-01 This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic development of the doctrine.
