She walks you through the steps you can take to combine your own family's values with age-appropriate information for children at all stages of development. And you'll learn how to do so in a way that will improve the trust and communication between you and your child. Dr. Rosenzweig applies her decades of experience in child abuse prevention, sexuality education, and family services to help you identify the real threats to your children's safety and to protect them from becoming victims of sexual misinformation or exploitation.
