*Tin Pan Alley* Keith Hayward,2013 This unique book tells the story of two stars One is Sir Elton John and his career up to the breakthrough gigs at the LA Troubadour in 1970 The other is Tin Pan Alley itself [Elton John](#) Keith Hayward,2015-10-12 From Tin Pan Alley To The Yellow Brick Road is author Keith Hayward s sequel to the critically acclaimed Tin Pan Alley The Rise of Elton John It continues Elton John s story from the start of his solo career and his breakthrough with Your Song to the end of the seventies A time where Elton achieved unparalleled success but at a price Personal relationships and the physical exhaustion of being one of the most in demand performers in the world are documented alongside the sometimes ruthless business side of the music world With contributions from many people who played a big part in Elton s success including his manager John Reid David Larkham cover designer Stuart Epps Steve James Kenny Passarelli Roger Pope whom the author managed and Kiki Dee This is a journey through the music business from the mid sixties through to the end of seventies as seen through Elton s career Complete with a comprehensive gig list that has been painstakingly researched to include gigs as far back as 1966 From Tin Pan Alley To The Yellow Brick Road is a thought provoking and engaging read that places Elton John s success within the context of the multi faceted and sometimes complex world of the music business [Elton John](#) Keith Hayward,2023-09-22 From The Inside is a thorough revised and expanded re working of Hayward s previous books Tin Pan Alley The Rise of Elton John and From Tin Pan Alley to the Yellow Brick Road From The Inside is not just an ordinary biography It is effectively an oral history using interviews conducted over a fifteen year period with just about every musician producer sound engineer manager and key figure that worked with Reg Dwight before and when he was Elton John both in Britain and America up to 1979 It is their story From the Inside how they contributed to the success of Sir Elton during that time and how they played an unwitting part in his rise to fame It is a collection of stories from the music makers managers executives and musicians that makes this book possible They are the people who were there observing what was going on and in some cases in close proximity to Sir Elton It really is the story of those who still see him as an acquaintance or as a friend It is the first time some of them have spoken out about their years working and sharing Sir Elton s life Sadly some of those contributors have passed now but their words and contributions live on in this book
