TAKE THESE 50 STEPS TO HEALING AND BE ASSURED YOU WILL FIND YOUR INNER GLOW AGAIN The Kindness Cure Tara Cousineau,2018-02-02 It's time for a kindness revolution In *The Kindness Cure* psychologist Tara Cousineau draws on cutting edge research in psychology and neuroscience to show how simple practices of kindness for ourselves for others and for our world can dissolve our feelings of fear and indifference and open us up to a life of profound happiness

Compassion for ourselves and others is our birthright as humans hardwired into our DNA and essential to our happiness But in our fast paced technical savvy and hyper competitive world it may come as no surprise that rates of narcissism have risen while empathy levels have declined We now find ourselves in a cool to be cruel culture where it's easy to feel disillusioned and dejected in our hearts homes and communities So how can we reverse this malady of meanness and make kindness and compassion an imperative *The Kindness Cure* draws on the latest social and scientific research to reveal how the seemingly soft skills of kindness cooperation and generosity are fundamental to our survival as a species In fact it's our prosocial abilities that put us at the head of the line Blended with moving case studies and clinical anecdotes Cousineau offers practical ways to rekindle kindness from the inside out We are wired to care The very existence of our human species evolved because of an intricate physiology built for empathy compassion and cooperation Yet we have an epidemic of loneliness indifference and cruelty and we see these destructive trends on a daily basis in our families schools neighborhoods and workplaces This important book teaches effective skills in compassion mindfulness and social and emotional learning and reveals successful social policy initiatives in empathy taking place that inform everything from family life to education to the workplace Kindness has the exponential power to renew relationships and transform how we think feel and behave in the world Will you be a part of the revolution Wild (Movie Tie-in Edition) Cheryl Strayed,2014-11-18 1 NEW YORK TIMES BESTSELLER A powerful blazingly honest memoir the story of an eleven hundred mile solo hike that broke down a young woman reeling from catastrophe and built her back up again At twenty two Cheryl Strayed thought she had lost everything In
