magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents, but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty.

Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long hidden history on a path that will ultimately lead either to devastation or to redemption.

Based on one of America's most notorious real-life scandals, in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country, Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how even though the paths we take can lead to many places, the heart never forgets where we belong.

Publishers Weekly's 3 Longest Running Bestseller of 2017, Winner of the Southern Book Prize, and an If All Arkansas Reads the Same Book Selection, this edition includes a new essay by the author about shantyboat life.

1 NEW YORK TIMES BESTSELLER. The New York Times bestselling author of *A Man Called Ove* and *Anxious People* returns with an unforgettably funny, deeply moving tale of four teenagers whose friendship creates a bond so powerful that it changes a complete stranger's life. Twenty-five years later, most people don't even notice them: three tiny figures sitting at the end of a long pier in the corner of one of the most famous paintings in the world. Most people think it's just a depiction of the sea. But Louisa, an aspiring artist herself, knows otherwise, and she is determined to find out the story of these three enigmatic figures. Twenty-five years earlier, in a distant seaside town, a group of teenagers find refuge from their bruising home lives by spending long summer days on an abandoned pier, telling silly jokes, sharing secrets, and committing small acts of rebellion. These lost souls find in each other a reason to get up each morning, a reason to dream, a reason to love. Out of that summer emerges a transcendent work of art, a painting that will unexpectedly be placed into eighteen-year-old Louisa's care. She embarks on a surprise-filled cross-country journey to learn how the painting came to be and to decide what to do with it. The closer she gets to the painting's birthplace,

the more nervous she becomes about what she'll find Louisa is proof that happy endings don't always take the form we expect in this stunning testament to the transformative timeless power of friendship and art One Summer in Savannah Terah Shelton Harris, 2023 A compelling debut that glows with bittersweet heart and touching emotion deeply interrogating questions of family redemption and unconditional love in the sweltering summer heat of Savannah as two people discover what it means to truly forgive It's been eight years since Sara Lancaster left her home in Savannah Georgia Eight years since her daughter Alana came into this world following a terrifying sexual assault that left deep emotional wounds Sara would do anything to forget But when Sara's father falls ill she's forced to return home and face the ghosts of her past While caring for her father and running his bookstore Sara is desperate to protect her curious outgoing genius daughter from the Wylers the family of the man who assaulted her Sara thinks she can succeed her attacker is in prison his identical twin brother Jacob left town years ago and their mother are all unaware Alana exists But she soon learns that Jacob has also just returned to Savannah to piece together the fragments of his once great family And when their two worlds collide with the type of force Sara explores in her poetry and Jacob in his astrophysics they are drawn together in unexpected ways Long After We Are Gone Terah Shelton Harris, 2024-05-14 A big beautiful devastating and ultimately hopeful novel Erica Bauermeister New York Times bestselling author of *No Two Persons* An explosive and emotional story of four siblings each fighting their own personal battle who return home in the wake of their father's death in order to save their family's home from being sold out from under them from the author of *One Summer in Savannah* Don't let the white man take the house These are the last words King Solomon says to his son before he dies Now all four Solomon siblings must return to North Carolina to save the Kingdom their ancestral home and 200 acres of land from a development company who has their sights set on turning the valuable waterfront property into a luxury resort While fighting to save the Kingdom the siblings must also save themselves from the secrets they've been holding onto Junior the oldest son and married to his wife for eleven years is secretly in love with another man Second son Mance can't control his temper which has landed him in prison more than once CeCe the oldest daughter and a lawyer in New York City has embezzled thousands of dollars from her firm's clients Youngest daughter Tokey wonders why she doesn't seem to fit into this family which has left an aching hole in her heart that she tries to fill in harmful ways As the Solomons come together to fight for the Kingdom each of their fates begins to crumble and collide in unexpected ways Told in alternating viewpoints *Long After We Are Gone* is a searing portrait on the power of family and letting go of things that no longer serve you exploring the burden of familial expectations the detriment of miscommunication and the lessons and legacies we pass on to our children Explosive and emotionally charged *Etaf Rum* New York Times bestselling author of *A Woman is No Man* and *Evil Eye* A tour de force of history injustice and the brutal beautiful everlasting ties of family Tara Conklin New York Times bestselling author of *The House Girl* and *The Last Romantics* **I Stand Before You** S.R.
