A Literature Review on Cloud Computing Services* Anna Lena Bischoff,2017-03-01 Seminar paper from the year 2017 in the subject Business economics Offline Marketing and Online Marketing grade 1 7 Linneaus University School of Business and Economics course Contemporary Marketing language English abstract Even though security issues when using cloud computing services have been looked at from a technical perspective research has failed to explain why consumers use cloud services extensively despite their distrust Observations have been made that users are in a dilemma where they use a service they are not comfortable with Besides trust the ethical perspective of all stakeholders in cloud computing has not been discussed or connected to the issue of trust The unease consumers feel when signing up for a cloud service could be

transformed from a dilemma into a competitive advantage Therefore it is of high interest to cloud service providers to understand how they can gain competitive advantage over competitors by building consumer relationships based on trust and ethical norms The results of this literature review show that making use of insights into cloud computing issues and awareness for trustful ethical relationships with the customer service providers can create competitive advantage Following ethical norms and building trust with customers enables companies to gain first mover advantages in the field of cloud computing services They can successfully distance themselves from competitors by promoting marketing campaigns that emphasize their high ethical standards and treatment of users This paper adds the dimension of ethics to the dilemma of mistrust in cloud computing exploring whether this is a key influence on consumer trust since there was a research gap discovered in researching a trustful provide user relationship as well as an ethical perspective in cloud computing   **How to Do Everything iPod and iTunes 6/E** Guy Hart-Davis,2011-12-01 Get the most out of your iPod and iTunes Fully revised throughout How to Do Everything iPod and iTunes Sixth Edition covers the iPod classic iPod nano and iPod shuffle as well as the latest version of iTunes Find out how to easily load music podcasts and video customize settings enhance audio quality manage your iTunes library convert file formats recover data and much more This step by step guide helps you maximize the versatile features of your iPod and iTunes Configure iTunes and load your iPod with music video and photos Enhance your iPod with accessories such as speakers cases adapters stands docks and radio transmitters Use your iPod as a home stereo and car stereo Learn how to make music sound great in iTunes and on your iPod Create high quality AAC MP3 or Apple Lossless Encoding files from CDs vinyl or other sources Buy and download content from the iTunes store or find free songs online Create video files that work with the iPod classic Sync your iPod with multiple computers Use your iPod as an external drive or backup device Recover songs and videos from your iPod Troubleshoot problems with your iPod or iTunes
