life That s not to say that his life doesn t have its ups too but they re a little harder to appreciate when you re depressed anxious and constantly overthinking things And if that s not enough to keep Trevor worried he just moved into his dorm room at New Halle University to start his freshman year at college and he s all on his own now Gulp What are people going to think of him What if he doesn t fit in What if he doesn t make any friends Armed with his journal his own insecurities and a fierce love of music he s determined to make the most of his time at school Anything can happen at college and as scary as that is to Trevor he doesn t want to let it scare him into staying shut in his room The often untold sequel to the high school coming of age story and in the same vein as *The Perks of Being a Wallflower* and *The Catcher in the Rye* A Day at the Theme Park is an unapologetically progressive story about discovery friendship finding your place and dining hall food that sends you running for the bathroom
