### **Army JROTC Leadership Education & Training: Foundations for success**, 2002 *Learning Disabilities* Janet W.

Lerner, 1993 The book is an introductory text written for both undergraduate and graduate students who are taking a first course in learning disabilities. It is designed to provide a view of the field of learning disabilities for present and future special teachers, regular teachers, school psychologists, administrators, language pathologists, counselors and related professionals preparing to work with individuals with learning disabilities. This book is particularly designed for both preservice and inservice regular classroom teachers who are often responsible for teaching students with learning disabilities in their classrooms. In addition, the text can serve parents seeking necessary background information to better understand the problems their children face. Teachers need to understand the diverse theoretical approaches to the field, have knowledge of assessment procedures, possess skill in the art of clinical teaching and develop familiarity with teaching techniques and materials.
