Melissa S Williams,2025-07-14 In a quiet coastal town brushed by wind and memory Eylli Q returns to a weathered cottage seeking refuge from the noise of her past Her heart once bright with dreams now yearns for stillness and a place to begin again What she doesn't expect is Rhys Everhart the debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn't ask for perfection it simply asks for presence and sometimes it's the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn't always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay A Touch That Awakens the Soul is a deeply romantic and inspirational novel about rediscovering love healing through connection and finding home not in a place but in each other A story for anyone who believes in love second chances and the kind of intimacy that lingers long after the final page      Harrison Ambush

he knew he'd found his mate Unfortunately the beautiful recluse made no bones about telling him that she was alone and liked it that way and that no man was barging in and taking over her orderly life She was living her life just the way she wanted it and that didn't include taking orders from a man any man He could get that thought right out of his head Liam They all knew that Emma's father would come sniffing around to try to swindle her out of more money it was just a matter of time But how far would he go to get what he wanted Ennis The house had its own secrets a dark and gruesome history Things weren't always what they seemed Women were disappearing one by one Who could they trust Were any of them safe Find out in the final installment of the Harrison Ambush Ennis

Jennifer Hale had been in the hospital handcuffed to the bed for five days The winged man standing guard had not left her side since she'd been brought in and the fact that no one else could see him gave her the willies The man robbing the diner where Jenny worked had shot her in the leg and then she had killed him with his own gun It was kill or be killed but the local authorities hadn't seen it that way until now They were releasing her and as of now she had no job and no home to return to Valyn the Slayer was just tired He had just one desire to be put to sleep for an eternity Ever since he'd lost his small charge the simple act of living seemed too much for him He had only looked away for a moment now she was gone and he blamed himself And now Boss was telling him his mate was here She's a lovely girl Broken too if you want to know the truth of it Perhaps you've heard her mentioned She's the woman that saved that diner full of patrons about a week ago He'd heard of it but didn't know her name The bill collectors are hounding her hourly However they are not putting the calls through to her room at the hospital for fear of upsetting her She's made some very good friends while staying there What happened to her Boss told him what she'd done and how she'd been shot And the bill collectors Why are they hounding her I'm assuming that she has debt but it's more than that isn't it Yes she's now homeless and jobless Also with this other business of the credit card there is no way that she can make anything work out right for her Not without a great deal of help Valyn sat down on the wire wheel that had been left behind when the house had been rewired Valyn you told me that you were broken and why you thought so But this woman she can help you in ways that I cannot You could if you would just put me to sleep Boss shook his head What if I don't go and see her Don't take her as my mate Because I don't think my life could be any better to have her with me I'm not good around people anymore I don't want to have someone depending on me for their wellbeing It's too much
