**Legal Concepts for Insurance Agent Ethics: How Agents Get Sued and Lose Their Licenses** Dwight Kealy, 2014-09-10 Most people think they are fairly ethical or at least as ethical as others. In this book attorney and insurance professional Dwight M Kealy walks the reader through Contract Law, Tort Law, Criminal Law and the Department of Insurance Code as a way to define ethical boundaries for insurance agent conduct. Sometimes the author writes as the attorney representing a client against an insurance agent. Sometimes the author writes as the attorney defending the insurance agent. Throughout the book the author balances these opposing views to expose the relevant legal issues and to encourage the conduct insurance professionals should follow to stay out of court and keep their insurance licenses.
