**The Digital Evangelicals** Travis Warren Cooper,2022-08-02 When it comes to evangelical Christianity the internet is both a refuge and a threat It hosts Zoom prayer groups and pornographic videos religious revolutions and silly cat videos Platforms such as social media podcasts blogs and digital Bibles all constitute new arenas for debate about social and religious boundaries theological and ecclesial orthodoxy and the internet s inherent danger and value In *The Digital Evangelicals* Travis Warren Cooper locates evangelicalism as a media event rather than as a coherent religious tradition by focusing on the intertwined narratives of evangelical Christianity and emerging digital culture in the United States He focuses on two dominant media traditions media sincerity immediate and direct interpersonal communication and media promiscuity communication with the primary goal of extending the Christian community regardless of physical distance Cooper whose work is informed by ethnographic fieldwork traces these conflicting paradigms from the Protestant Reformation through the rise of the digital and argues that the tension is culminating in a crisis of evangelical authority What counts as authentic interaction Who has authority over the circulation of information While many studies claim that technology influences religion *The Digital Evangelicals* reveals how Protestant metaphors and discourses shaped the emergence of the internet and explores what this relationship with global new media means for evangelicalism

*Handbook of Research on Transmedia Storytelling and Narrative Strategies* Yilmaz, Recep,Erdem, M. Nur,Resuloglu, Filiz,2018-07-06 Transmedia storytelling is defined as a process where integral elements of fiction get dispersed systematically across multiple delivery channels to create a unified and coordinated entertainment experience This process and its narrative models have had an increasing influence on the academic world in addressing both theoretical and practical dimensions of transmedia storytelling The *Handbook of Research on Transmedia Storytelling and Narrative Strategies* is a critical scholarly resource that explores the connections between consumers of media content and information parts that come from multimedia platforms as well as the concepts of narration and narrative styles Featuring coverage on a wide range of topics such as augmented reality digital society and marketing strategies this book explores narration as a method of relating to consumers This book is ideal for advertising professionals creative directors academicians scriptwriters

researchers and upper level graduate students seeking current research on narrative marketing strategies *The Digital Is Kid Stuff* Josef Nguyen,2021-12-28 How popular debates about the so called digital generation mediate anxieties about labor and life in twenty first century America The children are our future goes the adage a proclamation that simultaneously declares both anxiety as well as hope about youth as the next generation In *The Digital Is Kid Stuff* Josef Nguyen interrogates this ambivalence within discussions about today s digital generation and the future of creativity an ambivalence that toggles

between the techno pessimism that warns against the harm to children of too much screen time and a techno utopianism that foresees these digital natives leading the way to innovation economic growth increased democratization and national prosperity Nguyen engages cultural histories of childhood youth and creativity through chapters that are each anchored to a particular digital media object or practice Nguyen narrates the developmental arc of a future creative laborer from a young kid playing the island fictions of Minecraft to an older child learning do it yourself skills while reading Make magazine to a teenager posting selfies on Instagram to a young adult creative laborer imagining technological innovations using design fiction Focusing on the constructions and valorizations of creativity entrepreneurship and technological savvy Nguyen argues that contemporary culture operates to assuage profound anxieties about and to defuse valid critiques of both emerging digital technologies and the precarity of employment for creative laborers in twenty first century neoliberal America

**Radio Flyer** Robert Pasin, Carlye Adler, 2018-10-30 A visual history of one of childhood's most beloved icons the Little Red Wagon told through a rich collection of photos and stories that highlight its unique place in American culture For generations the Radio Flyer the fire engine red wagon with the distinctive white logo emblazoned on its side has fueled the imaginative adventures of children transforming them into astronauts on a rocket ship to the moon racecar drivers in the Indy 500 and pioneers traveling into the badlands of the Wild West The Radio Flyer is the story of childhood a story of wondrous journeys often accompanied by someone important a parent a sibling a friend a pet Since 1917 the family owned business Radio Flyer Inc has created this cherished wagon building a legacy of high quality timeless and innovative toys that spark children's imaginations and inspire active play outdoors With more than 100 million wagons sold many of them passed down from generation to generation Radio Flyers have carried hauled and fueled more hours of magical escapades than any other children's ride on toy in America This beautifully designed and illustrated keepsake book pays homage to this cultural

touchstone as it celebrates its first centenary and embarks on its second. Packed with 250 exclusive full color and black and white illustrations, stories and original drawings from the Radio Flyer Inc. archives, Radio Flyer chronicles the history of this popular brand for the first time. Radio Flyer's story is America's story, a story of an enterprising Italian immigrant's dream realized and a testament to the value and strength of family ties. Including a host of tender reminiscences from fans across the country, this touching tribute is a special piece of childhood and the perfect gift for everyone who's ever loved a Little Red Wagon.

**GET OUT** Aniruddha Mahale, 2022-06-30 Contrary to popular belief and even more popular magazines, dating isn't easy. It is tough for everybody because when it comes to romance, sex and relationships, there is no difference between being gay and straight. In *Get Out*, Aniruddha Mahale mines his own romantic misadventures to put together the ultimate guide to dating for gay men in India. Full of tips, advice and lessons learned, the stylist who taught him how to dress, the teacher who taught him how to behave, the socialite who taught him how to charm, Mahale remembers the good dates and the bad and offers real practical advice to men dealing with coming out and going out in India.
