Pohlman,2020-01-21 What is the first thing that comes to your mind when someone mentions a knight in shining armor Perhaps you think of a valiant warrior dressed in plate armor naturally galloping across the land with his noble steed looking for wrongs he can right Or maybe you image him facing a mighty dragon with sword and shield in hand braving the fire breathing monster fearlessly You may even envision him rescuing a beautiful princess who has been locked in a castle tower by her ruthless uncle until she agrees to marry him All of these things and more encapsulate the dreams of young Benjamin Knight And as he is likely to explain to you he is not a true knight That s just his name Benjamin has been raised in a loving home in a medieval setting and wants nothing more than to grow up to become a true knight That opportunity presents itself in an unlikely manner one day when he meets a young man Joshua advertising the Jousting Tournament that is coming to town Joshua recognizes Benjamin s genuine love for the traditional knight in shining armor and takes him under his wing teaching him that his understanding of knights while quite popular with the masses is incomplete Our young hero struggles with many of the same worldly temptations we all face along the way greed selfishness a sense of worthlessness and a desire to quit when things get too difficult In the midst of his journey he encounters an evil man who draws Benjamin into an equally evil plot to overthrow the kingdom He is then given an ultimatum Assist in the plot and have your dreams come true or refuse and lose everything that is important to you What choice will he make This book weaves and illustrates the
