Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The

book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real unngimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding     **Crown of Union and Duty** Laura Greenwood, The duty of any princess is to do what she s told but when Agnes is assigned a new bodyguard all of that goes out of the window The last person Agnes ever expected to be employed as her sworn shield is the man she left behind when she was forced to become a vampire but now he s not only in her life but always there reminding her of what they once shared And what they can no longer have Hector never thought he d see Agnes again and now fate has brought them back together he s not sure he s going to be able to let her go even if he knows he should With the King determined to find a political match for Agnes time is ticking and the two of them have to decide what s more important to them love or duty Crown of Union and Duty is a standalone connected to the House of Blood and Roses series It is a steamy vampire romantasy featuring a forbidden second chance m f romance vampires and vampire royalty     **The Night Circus** Erin Morgenstern,2019-11-05 A novel of magic and love that has enchanted readers far and wide with the spectacular power of its imagination The circus arrives without

warning No announcements precede it It is simply there when yesterday it was not The black sign painted in white letters that hangs upon the gates reads Opens at Nightfall Closes at Dawn As the sun disappears beyond the horizon all over the tents small lights begin to flicker as though the entirety of the circus is covered in particularly bright fireflies When the tents are all aglow sparkling against the night sky the sign appears Le Cirque des Raves The Circus of Dreams Now the circus is open Now you may enter

**The Shifter Season: Books 1-3** Laura Greenwood, Enter a world of dazzling balls daring shifters and swoonworthy romances in The Shifter Season Books 1-3 Includes The Fox and the Viscount When childhood friends and fox shifters reunite at a ball they find themselves engaging in an entirely inappropriate wager But are they playing with their hearts The Peacock and the Wallflower A peahen shifter expects to remain a wallflower for the whole Season but when a charming peacock asks her to fake court him everything changes The Stag and the Baroness After being widowed a deer shifter finds her station in life but now the new Baron is arriving and she has no idea what position that will leave her in *Dream of Me* Quinn Loftis, 2015-02-28 From the author who brought you the award winning Grey Wolves and Elfin Series now brings you a new series based on the human legend the Sandman The truth of who and what he is lies between these pages and he is so much more than anyone could have ever imagined In the evening he blows softly upon their necks till their heads begin to droop Under each arm he carries an umbrella one of them with pictures on the inside he spreads over the good children and then they dream the most beautiful stories the whole night Hans Christian Anderson Since the dawn of time Brudair otherwise known as the Sandman to the world has faithfully lived out his purpose faithfully performed his duties He has never questioned his lot among the immortals until now until her Sarah Serenity Tillman a consummate beauty both inside and out is a high school senior five months from her graduation She has great plans dreams of leaving the small town of her childhood behind her forever But destiny has other plans and it's the Sandman's job to make sure those plans are fulfilled The tall muscular Sandman known as Dair to his friends dressed in black wrapped in shadows is more than a myth And he has a job to do His very existence makes him a creature of the night because dreams yes the legends got that part right were indeed his specialty But his purpose was more than just weaving dreams for sleeping children No his dreams were made to influence made to ensure that certain special individuals those individuals who would change the course of history actually accepted their chosen destiny Little does Serenity know that she is Dair's next assignment And the dream that he weaves for her if she follows its influence will change the course of not only her life but possibly the whole of history as well But she isn't the only one being influenced The beauty inside of her was weighing on the Sandman lighting up the darkness that was his constant companion Her light was warmth it was life and he didn't understand how he had survived the previous millennia without it The Sandman was indeed greater than anything humans had ever imagined and his purpose was vital to the course of history So what happens when the weaver of dreams gets so distracted by a mere human that he ignores his own duties in the immortal realm How can an immortal who was never meant

to have a mate join a young woman in her destiny without irrevocably changing the lives of millions and potentially altering history in a way the Creator never intended Dream of me Princess Dair whispered into her ear Then weave me a dream Sandman she said softly And we can dream together As her eyes grew heavy she heard Dair s voice telling her to sleep to open her mind to him and let him in I m all yours she thought as sleep finally claimed her
