Editor & Publisher ,1938 *The Benefits of Friends* Jana Mathews,2022-08-02 In 2011 Jana Mathews's career took a surprising turn. What began as an effort for a newly minted college professor to get to know her students turned into an invitation to be initiated into a National Panhellenic Conference sorority and serve as its faculty advisor. For the next seven years Mathews attended sorority and fraternity chapter meetings, Greek Week competitions, leadership retreats and mixers and formals. She also counseled young men and women through mental health crises, experiences of sexual violence and drug and alcohol abuse. Combining her personal observations with ethnographic field analysis and research culled from the fields of sociology, economics and cognitive psychology, this thought-provoking book examines how white Greek letter organizations help reshape the conceptual boundaries of society's most foundational relationship categories, including friend, romantic partner and family. Mathews illuminates how organizations manipulate campus sex ratios to foster hookup culture, broker romantic relationships, transfer intimacy to straight same sex friends and create fictive family units that hoard social and economic opportunity for their members. In their idealized form, sororities and fraternities function as familial surrogates that tether their members together in economically and socially productive ways. In their most warped manifestations, however, these fictive familial bonds reinforce insularity, entrench privilege and at times threaten physical safety. *Follow R. J. Using this book as your guide, you'll master all the necessary strategies to amass a HUGE Instagram following quickly, transforming you into a popular influencer and successfully launching your brand. From the Author: Barely 6 months ago, my Instagram account had less than 300 followers. The page Poem Wars, a community sharing the work of rising poets, struggled to get off the ground, even with my daily efforts to make it grow. Despite big ideas and good intentions, I simply didn't know how to create a thriving Instagram page one with a huge and engaged audience. Flash forward to 6 months later: The Poem Wars page now has more than 10k followers and, more importantly, a wonderful, highly active community of talented poets. Every one of my posts has been reaching tens of thousands of people across the Instagram platform and my audience only continues to grow. The big question is: how does FOLLOW outline the simple process that changed my Instagram account nearly overnight, bringing in a flood of new real followers each and every day? It documents my story so that others may follow suit and quickly build huge audiences of their own to share their content with. I hope it uplifts anyone with a passion to grow, giving a voice to all those who wish to be heard.
