In the Best Interests of Baseball Andrew Zimbalist, 2007-06-22 The season's best book so far gets right to the heart of the game's survival at the organizational level The Boston Globe A compelling examination of the national pastime as seen through the prism of the commissioner's office The Wall Street Journal A thoughtful and objective analysis of baseball's labor and economic policy evolution Interesting relevant and a good read Randy Levine President of the New York Yankees and former chief labor negotiator for MLB A tour de force It's an incredibly interesting read that ends with a vision for the sport that is squarely on target and a clarion call to our industry John Henry principal owner of the Boston Red Sox and member of the MLB Executive Committee Those who are determined to have Selig's head on a stick will be disappointed rational baseball fans will rejoice in this tough but fair view of a decent man in a thankless job John Thorn coauthor of Total Baseball This thoroughly researched book by one of the foremost authorities on sports business is an oral history of the game through the Office of the Commissioner Zimbalist provides a fascinating look at the game's history and those who have helped shape it mlb.com April 3 2006 The best baseball book I've read in forty years Mike Murphy 670 The Score Chicago

Globalization, Sports Law and Labour Mobility Matt Nichol, This book examines labour regulation and labour mobility in two professional baseball leagues Major League Baseball in the United States and Nippon Professional Baseball in Japan Through vivid comparative study Matt Nichol explores how each league internally regulates labour mobility and how this internal regulation engages with external regulation from the legislature statutory authorities and the courts This comparison of two highly restrictive labour markets utilizes regulatory theory and labour regulation and suggests a framework for a global player transfer system in baseball

Broken Baseball Numbers Casey Dugan, 2014-06-03 Sabermetrics is taking baseball by storm Whether you like it or not it's difficult to watch a game without being inundated by stats Are the numbers really as important as the Sabermetricians claim How did we get to this point Do we need to learn baseball all over again Broken Baseball Numbers will answer these questions and many more In the end you'll have a totally new perspective on America's pastime

Love, Greg & Lauren Greg Manning, 2002-03-05 Early on the morning of September 11 2001 Lauren Manning a wife the mother of a ten month old son and a senior vice president and partner at Cantor Fitzgerald came to work as always at One World Trade

Center As she stepped into the lobby a fireball exploded from the elevator shaft and in that split second her life was changed forever Lauren was burned over 82 5 percent of her body As he watched his wife lie in a drug induced coma in the ICU of the Burn Center at New York Presbyterian Hospital Greg Manning began writing a daily journal In the form of e mails to family friends and colleagues he recorded Lauren s harrowing struggle and his own tormented efforts to make sense of an act that defies all understanding This book is that e mail diary detailed intimate inspiring messages that end always as if a prayer for a happy outcome LOVE GREG LAUREN We share this story day by astonishing day Greg writes of the intricate surgeries the painful therapies and the constant risk of infection Lauren endured Through his eyes we come to know the doctors nurses aides and therapists who cared for her around the clock with untiring devotion and sensitivity We also come to know the families with whom he shared wrenching hospital vigils for their own loved ones who were waging a battle that some would not win It was most of all Greg s belief that Lauren would win her brave fight for life that kept him writing Through his eyes we see what she could not their toddler s first steps the video of his first birthday party the compassionate messages of hope from around the world And we are there as Lauren gradually emerges into awareness signaling first with her eyes then with smiles her understanding of the words Greg speaks to her the poems he recites the songs he plays Most miraculously we are there when Lauren walks out of the Burn Center The world knows all too well both the nightmare and the heroism that have marked this terrible time in history But no account of September 11 matches the astonishing personal story Greg Manning records in these spontaneous and heartfelt pages It is a story that invites us to share e mail after e mail the perilous course of a mortally wounded woman who by sheer will and courage emerges from near death because she is determined to live for her husband and her son And it is equally the story of a man who as he stays by her side through these long weeks and months discovers anew the depth of his love and admiration for the woman who becomes his hero **Index Medicus** ,2001
