Stop using this unit immediately if you begin to feel tired or if you experience discomfort or pain in your hands or arms during use. If the condition persists, consult a doctor.

Prolonged hearing loss may occur if the sound or headphones are used at high volume. Set the volume to a safe level. Once you have determined your safe listening level, keep the volume but not entirely the volume of your hearing. When using the motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage.

• When using, check that there is plenty of space around you.

• When using the controller, grip it firmly to make sure it cannot slip out of your hand.

• If using a controller that is connected to the PlayStation®-4 system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PlayStation®-4 system while using the controller.

Follow the instructions below to help prevent the product exterior from deteriorating or becoming discolored.

• Do not place any rubber or vinyl materials on the product exterior for an extended period of time. Use a soft, dry cloth to clean the product. Do not use solvents or other chemicals. Do not wipe with a chemically-treated cleaning cloth.

## Charging the controller

With the PlayStation® system either on or in rest mode, connect the controller to the system using the USB cable.
