### **R.D. Laing and the Politics of Truth**

Theodor Itten,Ron Roberts,2025-05-29 This diverse collection of essays conversations reflections and reviews was first published in celebration of the 50th anniversary of R D Laing s masterpiece The Divided Self Under the umbrella of the Politics of Truth this new edition confirms Laing as an original practitioner in the healing arts and a succinct critical and theoretical voice whose relevance has not diminished In these pages are writings appraising Laing s life work brilliance and frailties as well as his wide and varied influences Contributions have come from colleagues friends and clients as well as people who never knew him personally yet deeply appreciate his work Each is different in tone and character Each captures something unique about Laing and his work R D Laing 1927 1989 was famous for his empathic perception sagacious intellect and wisdom of the heart

as well as his rebelliousness and falling from grace In reading this book you may be challenged to rethink some of your assumptions We hope that you will find more than a little inspiration     **Brain Disabling Treatments in Psychiatry** Peter R. Breggin,2008 Print CourseSmart     **Antipsychiatry** Thomas Szasz,2009-09-08 More than fifty years ago Thomas Szasz showed that the concept of mental illness a disease of the mind is an oxymoron a metaphor a myth Disease in the medical sense affects only the body He also demonstrated that civil commitment and the insanity defense the paradigmatic practices of psychiatry are incompatible with the political values of personal responsibility and individual liberty The psychiatric establishment s rejection of Szasz s critique posed no danger to his work its defense of coercions and excuses as therapy supported his argument regarding the metaphorical nature of mental illness and the transparent immorality of brutal psychiatric control masquerading as humane medical care In the late 1960s the launching of the so called antipsychiatry movement vitiated Szasz s effort to present a precisely formulated conceptual and political critique of the medical identity of psychiatry Led by the Scottish psychiatrist R D Laing the antipsychiatrists used the term to attract attention to themselves and to deflect attention from what they did which included coercions and excuses based on psychiatric principles and power For this reason Szasz rejected and continues to reject psychiatry and antipsychiatry with equal vigor Subsuming his work under the rubric of antipsychiatry betrays and negates it just as surely and effectively as subsuming it under the rubric of psychiatry In *Antipsychiatry Quackery Squared* Szasz powerfully argues that his writings belong to neither psychiatry nor antipsychiatry They stem from conceptual analysis social political criticism and common sense     **New Zealand Journal of Psychology** ,2007     *R.D. Laing* Bob Mullan,1999 This biography pieces together elements of Laing s life re evaluating this remarkable man s thought In particular it addresses his ambivalence towards Freud his unreconstructed Marxism his love of Buddha but his reconstructed Buddhism his adoration of Nietzsche and Sartre the only two contemporaries he believed superior to himself and the ideas he developed through his own experience of working with himself and his patients His behaviour could range from peacefulness and enlightenment to violence But he could always be trusted to be none but himself tender compassionate cruel vindictive sober or drunk muddle headed and or profoundly perceptive and original tearful and morose joyous and contented     *Soteria* Shirley Thomas Paulson,2005
