## **Soul Guide Following Jesus As Spiritual Director:**

**Soul Guide** Bruce A. Demarest, 2003 Spiritual and professional mentor Demarest provides biblically based practical information on life and soul guidance using the example of Christ as our Spiritual Director This book is ideal for evangelical and mainstream readers who want spiritual emphasis versus psychological emphasis in the area of soul guidance **Henri Nouwen and Soul Care** Wil Hernandez, 2008 A synthesis of Henri Nouwen's integrated approach to spiritual formation which is both driven and tempered by his integral relationship with psychology ministry and theology **Spiritual Formation as if the Church Mattered** James C. Wilhoit, 2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church's whole purpose for existence It must be a central task for the church to carry out Christ's mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard **How Then Shall We Guide?** Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis *The Popular Encyclopedia of Christian Counseling* Tim Clinton, Ron Hawkins, 2011-09-01 Seasoned counselors and professors Tim Clinton and Ron Hawkins provide a landmark reference that offers a capstone definition of the emerging profession and ministry of the Christian counselor Appropriate for professional counselors lay counselors pastors students and teachers it includes nearly 300 entries by nearly 100 top Christian counselors At approximately 500 pages this practical guide focuses on functional aspects of Christian counseling and explores such important topics as Christian counseling as a profession ministry and lay ministry Spiritual and theological roots Social emotional and relational issues Skills and essentials in Christian helping Ethical and legal considerations Intake assessment diagnosis and treatment planning Premarital counseling family therapy and substance abuse Counselors will also find up to date information on solution based brief therapy cognitive therapy and biblical truth and trauma and crisis intervention An essential resource for maintaining a broad and up to date perspective on helping others **Light from the Dreaming Spires** Kenneth J. Barnes, 2017-09-19 Just as generals are always fighting the last war my experience as a chaplain at Oxford University has taught me that the church often speaks to the last generation The statistics provided by the Pew Research

Center say it all The people of Generation Y are less likely to go to church believe in God or identify themselves as religious than any previous generation yet they still have a deep and abiding interest in spiritual things If the church is going to reach this group of seekers with the Gospel of Jesus Christ it will have to do it on their terms speak their language and understand their concerns If we try to fight the last war with Generation Y we will lose it Instead church leaders must seriously examine how we relate or not to Generation Y and change our tactics accordingly This book is a reflection on my personal experience of ministry to Generation Y combining pastoral care mentoring and postmodern apologetics in ways that are equally applicable to parochial academic and or secular settings      **Spiritual Direction and the Care of Souls** Gary W.

Moon,David G.
