therapies like drugs and surgeries It is in the disciplines that used to be regarded as soft medicine prayer intention energy healing acupuncture and similar therapies Overwhelming evidence from hundreds of scientific studies are showing that these safe non invasive approaches are often more effective sometimes many times more effective than conventional medicine Two of the pioneers in the field Dr Norman Shealy founder of the American Holistic Medical Association and world famous neurosurgeon and Dr Dawson Church one of the foremost writers and researchers in vibrational healing and the editor or author of many books on the subject explain the fundamentals of energy medicine its many applications to common ailments and the latest scientific research

Beyond Conservation Peter Taylor,2013-06-17 Peter Taylor builds bridges between ecology countryside policy and spirituality This book is novel in its breadth and offers a sharp challenge to conventional thinking in conservation Bill Adams University of Cambridge There is a new determination to be more pro active more creative and much bolder and Peter Taylor s important book captures that mood brilliantly Chris Baines Resurgence This is a vitally important and much needed book which shows the way forward for a renewed and positive relationship between people and wild Nature in Britain Lucidly and authoritatively covering to

Holistic Anatomy Pip Waller,2012-05-29 An engaging and accessible exploration of human anatomy physiology and pathology through a holistic lens Complementary and alternative approaches to health and medicine have become increasingly widespread as the limits of conventional treatments become more apparent Holistic Anatomy presents an authoritative study of anatomy physiology and pathology but it expands the discussion by connecting the science of the body to a variety of alternative modalities to explore how human beings exist within and interact with their environment and how they experience existence in emotional and spiritual terms Author and massage therapist Pip Waller interweaves basic scientific terminology and detailed descriptions with informal and sometimes humorous observations facts and ideas about life The mechanisms structure and functions of the body are explored along with how they relate to spiritual and energetic paradigms emotions and ecological principles The first half of the book covers basic anatomy and physiology describing each major system of the body and how they interrelate This part includes a thoughtful discussion of aging and the dying process The second half focuses on models of health and disease both traditional and holistic Topics include western pathology emotional health five element medicine and the spiritual cause for disease

Sin or Salvation Amy Mahoney,Olivia M. Espin,2013-10-18 When in therapy women inevitably present both sexual and spiritual issues of importance However there has yet to be brought forth an integrating approach to women s sexuality and spirituality The book fills this gap integrating these two diverse yet connected aspects of therapy This innovative exploration of women s experiences of their sexuality and spirituality is presented from a feminist psychological perspective clearly illustrating the dichotomy that exists in Western culture and offering a unique approach for convergence This book provides therapists with positive and self affirming viewpoints and practical strategies to help harmonize sexual and spiritual issues in women clients The book uses a synergistic perspective to facilitate healing for women s psycho sexual spiritual growth and

development Therapists are provided with invaluable tools for personal understanding and clinical practice when considering sexuality and spirituality and how they interact in a client's life This book is crucial reading for psychotherapists counselors social workers educators pastoral counselors and anyone interested in learning more about the intersections between sexuality and spirituality This book was published as a special issue of Women Therapy A Feminist Quarterly
