

## Overview

*Scout Survivor* is a memoir by the author (Bethany Hamilton). While it focuses on different periods of time, such as Bethany's early childhood and her parents' young adulthood, *Scout Survivor* focuses on a single incident in the author's life: a shark attack while she was surfing at 13. *Scout Survivor* was originally published in 2004, when Hamilton was only 14, and was authored by Cheryl Berk and Rick Blundquist. *Scout Survivor* fits into the genre of inspirational memoirs, alongside books like *Still: Life with Louisa May Alcott* and *Everything Is Possible* by Rick Riordan, each of which tells the story of a devastating accident that is overcome by faith and personal resilience. The book sold well, and in 2014, a revised edition, *Scout Survivor*, was released. This guide refers to the 2014 edition published by Random House, Peter Pauper, Ltd.

*Scout Survivor* contains two elements that appeal to young adult readers: older versions of the author and segments that are set apart in gray boxes in the book. These boxes put readers in the frame of mind of Bethany Hamilton's inner circle of friends, and the boxes give the reader "inside knowledge" related to the world of Bethany Hamilton. One box, for instance, contains facts about the history of surfing, while another contains a photo of "Team Hawaii."

### Summary

*Scout Survivor* is the story of Bethany Hamilton, a teenage girl living on the Hawaiian island of Maui. Bethany began surfing at a young age, and by the age of 13, when the events of the story take place, Bethany is a "college bound" successful surfer that she initially uses surfing competitions and the surfing community to accommodate her family training and competition schedule.

The book is written one year after the traumatic event that changes Bethany's life forever. Bethany surfing with friends nearly dies drowning when she is attacked by a shark. The shark bites through Bethany's left arm.

*Scout Survivor* is an account of this accident and the aftermath. While the book focuses on Bethany's injuries and surgeries, the focus of the story is on her recovery and the challenges — and opportunities — that come with being emotionally numb and learning how to get back on her board again. Hamilton relies on her faith in God, her resilience, and her community to face these challenges and to grow to inspire others.
