**Soulless** Jim DeRogatis, 2019-06-04 The essential account of R Kelly s actions and their consequences a reckoning two decades in the making In November 2000 Chicago journalist and

music critic Jim DeRogatis received an anonymous fax that alleged R Kelly had a problem with young girls Weeks later DeRogatis broke the shocking story publishing allegations that the R B superstar and local hero had groomed girls sexually abused them and paid them off DeRogatis thought his work would have an impact Instead Kelly s career flourished No one seemed to care not the music industry not the culture at large not the parents of numerous other young girls But for more than eighteen years DeRogatis stayed on the story He was the one who was given the disturbing videotape that led to Kelly s 2008 child pornography trial the one whose window was shot out and the one whom women trusted to tell their stories of a meeting with the superstar at a classroom a mall a concert or a McDonald s that forever warped the course of their lives Soulless The Case Against R Kelly is DeRogatis s masterpiece a work of tenacious journalism and powerful cultural criticism It tells the story of Kelly s career DeRogatis s investigations and the world in which the two crossed paths and brings the story up to the moment when things finally seem to have changed Decades in the making this is an outrageous darkly riveting account of the life and actions of R Kelly and their horrible impact on dozens of girls by the only person to tell it
