Barbara Knapp,2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life As we evolve and grow spiritually we begin to search and seek for answers to some of the questions we have in our minds We look for the purpose of our existence and what that all means In seeking you find that there really is a higher purpose and that your soul yearns to find that The soul begins the process of awakening and begins its ascension back to its source This is the journey of the soul      A Soul Passenger Brenda-Lee Ranta,2020-06-10 Every man and woman longs to find a love that is unconditional This book is the autobiographical account of a woman and a man who against all odds found each other resuming something mystical that existed long before the annals of earthly time and space This is the actual account of two people who came into what is known as The Sacred Union or Twin Soul Reunion Nothing on earth prepares two people for this encounter but once they find each other there is a magnetic energy pulling at them stronger than any other human encounter they have experienced This book speaks of personal struggles horrific fears running stages and the final acquiescence to what has been preordained lest they never sleep another peaceful night This is not a union made of fluff or fairy tales Rather it is the awakening of two sleeping beings who truly awoke to their inner selves when they found each other again Many books on this subject matter speak to the longing stage separation and running stage all the while agonizing in wait of reunion This book explains about the inner work leading to union but the hard work truly begins in union where every inner flaw every Karmic hindrance bubbles to the surface to be dealt with or the couple will not succeed This is a book about the journey of living daily with your soul mirror accepting each lesson that comes while loving each other unconditionally It is not a book borne of religiosity but rather from that which has always been and shall continue to be This book fills in the gaps dispels the romanticism speaking from actual experience with blatant truth of what happens when love collides Wherever you go I shall go Wherever you live so shall I live Your people shall be my people and your God shall be my God too The Song of Ruth I wish you peace love light and awakening beyond measure while on your sojourn to Sacred Union Brenda Lee Ranta      *The soul's journey* Aubrey Fitz Gerald Bell,1928      Exploring Other Lifetimes Patty Paul,2021-06-15 In Exploring Other Lifetimes Patty Paul tells the fascinating stories of more than thirty of her lifetimes including many in

Lemuria Ancient Greece Old Europe and Atlantis She began visiting her other lifetimes in guided meditations in the 1980s and soon found it an adventure that helped accelerate her spiritual journey of self discovery The premise of this book unlike most others about reincarnation is that all lifetimes are happening now not in the past or future but right now on multi dimensional levels of the unconscious that exist beyond the physical realm s limitations of time and space For that reason every lifetime is accessible as a valuable resource for expanding personal and spiritual growth And Patty Paul shows exactly how it is done As the story of each important lifetime unfolds in this book the author shows how that lifetime is tied to her current life by the unresolved issues and strong emotions they share and how through recognizing understanding then integrating that lifetime into the wholeness of her truer self the greater being they are a healing occurs Like a stone tossed into a vast sea of consciousness the result is a rippling of peace that impacts all her lifetimes at once As they unfold in the telling the author s lifetime stories in this book each so unexpected and unique clearly demonstrate the value of exploring other lifetimes and why this book is an entertaining and important read      **Journey for a Soul** George Appleton,1976
