most churches don't We all know that we are supposed to go and make disciples to transform the world but drag our feet or sometimes simply refuse Dr Mark Teasdale says it doesn't have to be that way There is a wide range of options available to us We don't have to be held back God's mission for us and our churches is more exciting and rewarding than we can possibly imagine We don't have to worry about winning or losing succeeding or failing We aren't responsible for the results but we are called to obey and go where God leads This book details tactics to get your church moving forward in mission by looking at biblical passages where God commands God's people to Go Here we find that God calls us as congregations and individuals to break stereotypes and witness in surprising and unexpected ways **The Great Commission** Rev Sarah

McKinney,2025-04-11 The Great Commission A Study on Matthew 28 is a powerful Bible study guide that unpacks Jesus final command to His followers Through ten insightful chapters this book explores the historical context theological depth and practical implications of Matthew 28 16 20 Readers will gain a deeper understanding of Christ's authority the call to make disciples and how to live out the Great Commission in today's world Ideal for personal reflection group study or church leadership this guide equips believers to embrace a life of mission purpose and global impact **The Great Commission**

Anna Warren,2022 In Matthew 28 18 20 Jesus gave an intentional mandate to His disciples known as the Great Commission In this short passage the Mission of God toward all of humanity is given Every disciple of Jesus is invited to participate in His Mission This course is a 12 lesson Bible study easily adaptable for small groups Sunday school or personal application back cover

Examining the Great Commission Christopher Baidoo-Essien,2011-10-20 In this study we examine Jesus's last words to His disciples in which He outlined the duties involved in making disciples and retaining those disciples In our effort to examine these passages found in Matthew 28 18 20 Mark 16 15 18 and Luke 24 44 49 we focus on Matthew's account and break that into sections These passages have been dubbed the Great Commission The various sections are examined and then put together We look at the early disciples as a direct result of the apostles preaching and executing the chores as outlined in Matthew's account of the Great Commission In looking back at what the apostles and the early disciples did in Acts we are able to understand why they did things the way they did and how both apostles and the early disciples submitted to God's will and were used to accomplish God's purposes In the study we conclude that without the Great Commission we cannot source our authority to make disciples or save souls We further conclude that within the Great Commission or in executing the Great Commission we fail to make disciples or save souls if we pick and choose which part or parts of the charge to follow
