Sound Doctrine For Todays Christians What The Bible Says:

Sound Doctrine For Today's Christians; What the bible says Rev. Preston N. Jr. Tolliver, 2009-08-17 *Sound Doctrine for Today's Christians* addresses a multitude of today's issues from a scriptural stand point. The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader. The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible. There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues, differentiation of Christianity in terms of denominations and from other religions, personal life choices and the choices of a nation. Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement. This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust.

Sound Doctrine for Today's Christians; What the Bible Says Preston N. Tolliver, Jr., 2009-08-14 The addressing of many of today's life issues utilizing biblical scripture as the commentary for irrefutable soundness. *Sound Doctrine for Today's Christians* Rev. Preston N. Tolliver Jr., 2020-02-17 This book exists as maybe what will be my greatest accomplishment in life. Thanking Almighty God for his co authorship. The nourishment of the meat of the Word is presented herein for understanding by even babes in Christianity. It is a work that is doctrinally true to the Bible. Rev. Tolliver. The world is indeed hungry for the Living Word and maybe as never before in history. Tolliver selects forty topics prevalent today. Classic religious topics are Salvation, Being Born Again, Faith in Jesus Christ, Trinity, Man's Purpose and True Freedom. Topics regarding society values include Child Rearing, Divorce, Sexual Morality, Homosexuality, Racism, Abortion and Civil Rights Movement. Each topic has a separate section beginning with a guided question. Questions may require a single answer which consists of Bible verse's that serve as commentary. Complex questions are broken down further. A sample question is: Notwithstanding the issues of women's rights or right to life, what does the Bible have to say about abortion? All Bible verses are quoted in full and taken from the King James version. Thirteen appendices support Tolliver's conclusions. An interesting example is Appendix 8, Title 89, Social Services definition of child abuse. The author recommends that parents read section 300.20 and use wisdom in administering correction. This 606 page book is an excellent resource for someone wanting to attend seminary without having time or resources to do so. The US Review of Books.
