Seeing the Dead Sheila Connolly, 2014-09-22 From New York Times bestselling author Sheila Connolly Ever since her first ghostly sighting Abby Kimball has been trying to unravel the mystery of her newly discovered ability So when she sees the apparition of a Revolutionary War soldier in the middle of the town green just days before the annual Patriot s Day celebration no less she s determined to figure out her connection to the man The ethereal soldier is not the only mystery in Abby s life She s also trying to sort out her connection to Ned Newhall the man who shares her ability and is playing a more serious romantic role in her life every day But with plans for the celebration ramping up and her job becoming more chaotic by the minute Abby s finding it hard to catch her breath much less come to grips with all the new turns her life has taken And when another eerie episode is followed by the appearance of a very curious young girl who seems wise beyond her years Abby discovers she and Ned may have only scratched the surface of their special ability and that Ned may hold the biggest surprise yet

Defending the Dead Sheila Connolly, 2015-04-28 From New York Times bestselling author Sheila Connolly Abby Kimball has slowly accepted her recently discovered ability to see the dead but none of the harmless sightings she s experienced could have prepared her for the startling apparition of a centuries old courtroom scene where she locks eyes with a wicked and gleeful accuser Thrown back more than three hundred years Abby realizes she s been plunged into a mystery that has fascinated people throughout American history the Salem witch trials With her boyfriend Ned at her side Abby digs into the history of the events researching the people and possible causes of that terrible time and her own connection to them all the while going more deeply into her connection to Ned both extraordinary and romantic As Abby witnesses more fragments from the events in Salem and struggles with the question of how such a nightmare could have come about she s suddenly confronted with a pressing personal question Were one or more of her ancestors among the accused Unraveling the puzzling clues behind that question just might give Abby and Ned the answer to a very modern mystery of their own

Relatively Dead Sheila Connolly, 2013-05-17 The New York Times and USA Today bestseller by Sheila Connolly Abby Kimball has just moved to New England with her boyfriend and is trying to settle in but the experience is proving to be quite unsettling to say the least While on a tour of local historic homes Abby witnesses a family scene that leaves her gasping for breath because the family has been dead for nearly a century Another haunting episode follows and another until it seems to Abby that everything she touches is drawing her in calling to her from the past Abby would doubt her sanity if it weren t for Ned Newhall the kind and knowledgeable guide on that disturbing house tour Rather than telling her she s hallucinating Ned takes an interest in Abby s strange encounters and encourages her to figure

out what's going on starting with investigating the story of the family she saw and exploring her own past But as Abby begins to piece together a history that's as moving as it is shocking and unravels a long ago mystery that nearly tore her family apart she also begins to suspect that Ned's got secrets of his own and that his interest may be driven as much by a taste for romance as a love for history Wisconsin Horticulture ,1910 **Agriculture of Maine.
