The Predictable Heartbreaks of Imogen Finch Jacqueline Firkins, 2023-10-31 Jacqueline Firkins's *The Predictable Heartbreaks of Imogen Finch* is a beautiful story of friendship and second chances at love. Imogen Finch has just been through her seventeenth breakup. She saw it coming so she's not as crushed as she might be, but with all seventeen of her exes leaving her for other partners, she's come to believe a prediction her well-intentioned and possibly clairvoyant mother made over twenty years ago that Imogen would never come first at anything or to anyone. Is her love life failing due to a magical curse? Insufficient effort? Poor timing or personality mismatches? Everyone has opinions on the matter. Imogen's ready to give up altogether. But when Eliot Swift, her secret high school crush, returns to their small coastal town after a decade of nomadic travels, Imogen has new motivation to try again. Eliot's full of encouragement. He suggests that her curse is not only imagined; it's easily breakable. All they need is one win, any win, and she can believe in love and in herself again. From trivia games to swimming races to corn shucking contests, the pair sets out to snag Imogen her first first. But when victory proves more elusive than Eliot anticipated and when his deep-seeded wanderlust compels him to depart for far away places, Imogen fears she's destined to remain in second place forever. Fortunately for them both, sometimes magic lingers in the most unexpected places. And love is far from predictable.

Killer Content Olivia Blacke, 2021-02-02 It's murder, most viral in this debut mystery by Olivia Blacke. Bayou transplant Odessa Dean has a lot to learn about life in Brooklyn. So far, she's scored a rent-free apartment in one of the nicest neighborhoods around by cat-sitting and has a new job working at Untapped Books Caf. Hand-selling books and craft beers is easy for Odessa, but making new friends and learning how to ride the subway well that might take her a little extra time. But things turn more sour than an IPA when the death of a fellow waitress goes viral, caught on camera in the background of a couple's flash mob proposal video. Nothing about Bethany's death feels right to Odessa, neither her sudden departure mid-shift nor the clues that only Odessa seems to catch. As an up-and-coming YouTube star, Bethany had more than one viewer waiting for her to fall from grace. Determined to prove there's a killer on the loose, Odessa takes matters into her own hands. But can she pin down Bethany's killer before they take Odessa offline for good?

Biscuits and Bodies Erica J Whelton, 2024-04-18 Biscuits, a blind date, and bodies are the theme for Book 2. You will find a biscuit recipe at the end of this book. The Alphabet Soup recipe is available when signing up for my newsletter. Jess has some time off, so for the first time in a while, she is going on a date. It's a blind date set up by her General Manager, Noah. However, after waiting for two hours, Jessica is devastated to think she's been stood up. He seemed so nice via texts. As she is leaving the restaurant they were meeting at, she sees police have blocked off the street two blocks down. That's when she learns the truth about her date: He was murdered. For her peace of mind and at the begging of Noah, she begins investigating his death, and things get strange and too close to home.
