Thriller Market Data Ocean Ecosoft, AI, 2025-02-19 Thriller Market Data offers a deep dive into the thriller genre providing a data driven analysis of publishing industry statistics to reveal the reader preferences and market trends that drive success. The book uniquely places current market dynamics within a historical context of genre fiction and consumer behavior examining the evolution of thriller subgenres alongside shifts in reader habits including digital consumption. It culminates with practical strategies for authors, publishers and agents
