**The Greenwood Encyclopedia of Daily Life in America** Randall M. Miller, 2008-12-30 The course of daily life in the United States has been a product of tradition environment and circumstance How did the Civil War alter the lives of women both white and black left alone on southern farms How did the Great Depression change the lives of working class families in eastern cities How did the discovery of gold in California transform the lives of native American Hispanic and white communities in western territories Organized by time period as spelled out in the National Standards for U S History these four volumes effectively analyze the diverse whole of American experience examining the domestic economic intellectual material political recreational and religious life of the American people between 1763 and 2005 Working under the editorial direction of general editor Randall M Miller professor of history at St Joseph s University a group of expert volume editors carefully integrate material drawn from volumes in Greenwood s highly successful Daily Life Through History series with new material researched and written by themselves and other scholars The four volumes cover the following periods The War of Independence and Antebellum Expansion and Reform 1763 1861 The Civil War Reconstruction and the Industrialization of America 1861 1900 The Emergence of Modern America World War I and the Great Depression 1900 1940 and Wartime Postwar and Contemporary America 1940 Present Each volume includes a selection of primary documents a timeline of important events during the period images illustrating the text and extensive bibliography of further information resources both print and electronic and a detailed subject index *Daily Life of Women in Postwar America* Nancy Hendricks, 2021-02-15 From Beatniks to Sputnik and from Princess Grace to Peyton Place this book illuminates the female half of the US population as they entered a brave new world that revolutionized women s lives

**No More - Taking Back America** Thomas Masters, 2019-11-13 No More Taking Back America by Dr Thomas Masters *Daily Life in the United States, 1920-1940* David E. Kyvig, 2004-06-30 The twenties and thirties witnessed dramatic changes in American life increasing urbanization technological innovation cultural upheaval and economic disaster In this fascinating book the prize winning historian David E Kyvig describes everyday life in these decades when automobiles and home electricity became commonplace when radio and the movies became broadly popular The details of work life domestic life and leisure activities make engrossing reading and bring the era clearly into focus *Daily Life in 1950s America* Nancy Hendricks, 2019-02-22 Placing the era firmly within the American experience this reference illuminates what daily life was really like in the 1950s including for people from the Other America those outside the prosperous white middle class Daily Life in 1950s America shows that the era was anything but uneventful Apart from revolutionary changes during the decade itself it was in the 1950s that the seeds took root for the social turmoil of the 1960s and the technological world of today The book s interdisciplinary format looks at the domestic economic intellectual material political recreational and religious life of average Americans Readers can look at sections separately according to their interests or classroom assignment or can read them as an ongoing

narrative By entering the homes of average Americans far from the corridors of power we can make sense of the 1950s and see how the headlines of the era translated into their daily lives This readable and informative book is ideal for anyone interested in this formative decade in American life Well researched factual material is presented in an engaging way along with lively sidebars to humanize each section It is unique in blending the history popular culture and sociology of American daily life including those of Americans who were not white middle class and prosperous **American Magazine** ,1927
