Install System

HD Playback

Viewing an HD movie from a Blu-ray Disc™ requires an HDMI cable. For information about HDMI video output settings, visit <http://us.playstation.com/support/>

HDMI cables (sold separately) and compatible TV are required for High Definition output.

Connect your PS3™ system to a TV

1. Connect the thin cable to the **HDMI OUT** connector on your PS3™ system and the corresponding colored inputs on your TV.
2. Turn on the TV and set the display to the appropriate input that the HDMI cable is connected to.

Connect the AC power cord

1. Connect the AC power cord to the **AC IN** connector on your PS3™ system and an electrical outlet.
2. Press the power button on your PS3™ system to turn the system on.

Register (pair) the controller with your PS3™ system

1. Connect the larger side of the USB cable to one of the USB connectors on your PS3™ system.
2. Connect the smaller side of the USB cable to the USB connector on the controller.
3. Press the PS button on the controller to pair it with your system.

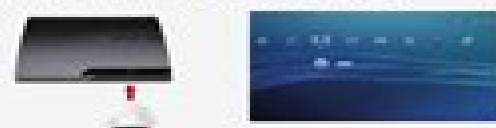

Initial Setup and Inserting Disc

Perform initial setup

1. Follow the on-screen instructions to select settings for system language, time zone, date and time, and user name.
2. When initial setup is complete, you will have the option to continue with Internet connection settings.

Insert discs with the label side facing up

Use the directional buttons on the controller to navigate the **HOME** (Cross/Right) menu to locate inserted media.

Internet Connection

Wired Connection

1. Connect an Ethernet cable to the LAN connector on the PS3™ system.
2. Select **Settings** or **Network Settings** in **Internet Connection Settings**.
3. Select **Setup** and view settings.

Wireless Connection

1. Select **Settings** or **Network Settings** in **Internet Connection Settings**.

2. Select the **Easy** option.

3. Select appropriate security settings.
4. Select security key.
5. Save settings.

PlayStation Network Sign-Up

For free registration*, begin by selecting [PlayStation®Network] on the **XMB™** menu.

purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console the PlayStation 4. In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the Xbox One and Wii U. Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed. In addition to its beefier hardware Sony has added a variety of new and innovative features including the DualShock 4 controller, the PlayStation Camera, and the PlayStation Move controller. Additionally with the new system players can connect their smart phones, tablets, PS Vita, or PS TV to act as second screen interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access. Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera. With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4 this is now possible with just a couple of button presses using the new Share button on the DualShock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4's built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console. Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4's web browser is as easy and intuitive as the web browser on your computer and it's automatically compatible with the web's most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4. Please note this book is neither written or endorsed by Sony and should be considered unofficial.

The Unofficial PlayStation Handbook Katie Morris, 2014-11-10. If you are new to the PlayStation console or just want to learn more this is an essential guide for you. With chapters covering PS3, PS4, and PlayStation TV this guide covers every aspect of PlayStation you can think of. This book is a bundle of three books. Each section can also be purchased individually. Please note this book is neither written or endorsed by Sony and should be considered unofficial.

All-New PlayStation 5 User Guide, Newbie to Expert in 2 Hours Edwards Weber, 2020-11-25. Here it is! This is the All New Playstation Manual that should have come in the box. Here it is!
