She would love to connect on a project or talk about life      You Don't Have to Be Perfect to Follow Jesus Mike Yaconelli, 2014-01-28 When you hear the word disciple you may envision people who spend all day praying and converting the masses Or individuals who have a natural holiness deep inside The truth is being a follower of Jesus isn't a job for the perfect or the Christian elite it's something anyone can and should be And even the original twelve disciples were far from perfect This thirty day devotional looks at the traits real very human disciples have using Scripture first person comments from teens and questions that help you think about your own disciple experiences When you think of Peter John Matthew and even Paul they seem to be heroes for Jesus the ones we're supposed to emulate and be more like After all Jesus handpicked them to be his followers and ambassadors on earth and trusted them with everything when he left so they must have been really holy men right But if you read the Gospels and Acts closely you'll notice the men Jesus called into his ministry were often clueless selfish afraid and brash and made a lot of mistakes during their time as disciples In other words they were very human Just like you This 30 day devotional peels back the holy veneer and explores the character traits that mark all disciples things like fear boldness doubt laziness weakness sensitivity brokenness alienation hunger immaturity strength and preparedness and uses Scripture real world examples and questions with space to journal to help you see these negative qualities actually qualify you to follow Jesus Because discipleship isn't something from the first century and Jesus is calling you to follow him today You Don't Have to Be Perfect to Follow Jesus can be used for personal study or in a group setting is ideal for teens and young adults contains short readings with full Scripture passages included that you can take with you anywhere breaks down the real truth behind Scripture to show how it applies to your life today      *Belonging - Teen Devotional Lifeway* Students, 2025-06-02 In this 12 volume series each 30 day devotional is framed by one simple word that speaks volumes about topics such as faith relationships identity and culture As they discover the depth and meaning behind each of these simple yet vital words students will learn to walk confidently in God's Word and live more like Jesus Reading through each book students will learn to Discover God's Word Delight in the Lord and Display God's work in their lives Discover Identity Theology Who is God Who am I in light of who God is These are two of the most important questions students can grapple with because in discovering who God is they learn who He has meant for them to be Studies within the Discover category will help students align their lives under God's rule which will give them confidence in who they were created to be Delight Spiritual Disciplines What does it mean to delight in God What leads to delight in God Helping students see God in every detail teaches them to delight in Him When students find their delight in God they will learn what it means and how to be in relationship with Him Display Leadership Mission Disciple Making How do students display the glory of God How do they help others grow in their relationship with Him How can they lead others to display the truth of God Through students learning to lead live on mission and make disciples God's glory is on display and His kingdom is expanded Each book includes 30 daily devotions applicable Scripture prayer prompts and practical application      **New Year, New You!** Tony
