*Dark Waters* Kathryn Mitchener,2011-07-28

As a young child I suffered from depression for over six and a half years as I developed into a young adult This molded my life and the person I am today but so much along the journey I felt I was alone and that no one truly understood me I hope that readers can connect with me through my writing and see that there are many challenges we may face in life but that they can be overcome My work is not all dreary and black I tell of love family gratitude and simplicity I also bare my soul and let people see the absolute despair of a child and young woman as she struggles to fi nd herself and the meaning of a life that has so many different pathways offered but no signpost to indicate which direction to take Not all my writing is based on my own experiences but written from my observations of the world and people around me

world of the Inner Realm a young slave blacksmith named Aurovin in servitude of an evil empire is chosen by the slave  
leaders of his people to escape and embark on a perilous journey to find new lands where they can live as a free tribe But  
Aurovin s journey is greatly hindered by a brewing rift between the great powers of the Inner Realm This rift escalates after  
king Pavros overlord of the Muldovene Empire barely escapes a botched assassination on his life The Muldovene king sets his  
eyes on the empire s arch enemy as the primary culprit the Warrior King Sapien and the kingdom of Arencia Aurovin s  
journey and perils are gradually intertwined into the numerous events and conflicts that will inevitably lead to the Great War  
During his journey Aurovin encounters several characters such as Belciender and Zaadu two young adventurers from Arencia  
who are on a mission on behalf of their king to the kingdom of Traccia to unravel a growing conspiracy that may further  
threatens the sovereignty of the Arencian realm He also meets Janus a burly jester whom Aurovin saves while escaping the  
clutches of a powerful enemy from a dungeon All four eventually join forces together to battle an evil order bent on attaining  
absolute power over the Inner Realm Unfortunately as Aurovin makes new friends and acquaintances the young blacksmith  
makes just as many enemies on his lone quest most notably the handmaster the devious and diabolic master of the order of  
the Dark Hand who searches for an ancient power that will grant the holder control over the most unstoppable army ever  
assembled one even more powerful than the empire s These villainous characters such as king Pavros the handmaster along  
with many others will undoubtedly reshape Aurovin s perspective of the cultures and politics of the Inner Realm beyond the  
confines of his humble home and people and this forces him to doubt if there really is a better world for his people outside  
the empire This climatic struggle between good and evil will finally culminate on the battlefield between the armies of the all  
powerful empire and its allies against the legendary warrior king Sapien and his undefeated Arencian army Aurovin s journey

is filled with death betrayal deception superstition mythology and love in world where only the wisest and the most cunning will be strong enough to attain ultimate power and the weak and cowardly will be forced into servitude Only time will tell if the blacksmith attains victory and finally finds the Promise Land that was prophesied by the oracle of his people
