Sos Stumbling Over Scripture Fundamentalism:

Sos - Stumbling Over Scripture Derrick J. Phillips, 2015-12-11 Can a Christian value the Bible without taking every word literally This book consists of a series of articles written over a 20 year period tracking one person's journey from fundamentalism to a fresher deeper appreciation of a book that has inspired generations and still inspires today

Proceedings of the National Safety Council ... Annual Safety Congress National Safety Council. Safety Congress, 1925

Transactions of the National Safety Council ... Annual Safety Congress National Safety Congress (U.S.), National Safety Council, 1925 Congressional Record United States. Congress, 1982 Rescuing the Bible from Fundamentalism John Shelby Spong, 1992 Stealing Jesus Bruce Bawer, 1997 From the author of the widely acclaimed *A Place at the Table* comes this major work that exposes the great danger posed to Christianity today by fundamentalism *Burning to Read* James Simpson, 2007-11-23 The evidence is everywhere fundamentalist reading can stir passions and provoke violence that changes the world Amid such present day conflagrations this illuminating book reminds us of the sources and profound consequences of Christian fundamentalism in the sixteenth century James Simpson focuses on a critical moment in early modern England specifically the cultural transformation that allowed common folk to read the Bible for the first time Widely understood and accepted as the grounding moment of liberalism this was actually Simpson tells us the source of fundamentalism and of different kinds of persecutory violence His argument overturns a widely held interpretation of sixteenth century Protestant reading and a crucial tenet of the liberal tradition After exploring the heroism and achievements of sixteenth century English Lutherans particularly William Tyndale *Burning to Read* turns to the bad news of the Lutheran Bible Simpson outlines the dark dynamic yet demeaning paradoxes of Lutheran reading its demands that readers hate the biblical text before they can love it that they be constantly on the lookout for unreadable signs of their own salvation that evangelical readers be prepared to repudiate friends and all tradition on the basis of their personal reading of Scripture Such reading practice provoked violence not only against Lutheranism's stated enemies as Simpson demonstrates it also prompted psychological violence and permanent schism within its own adherents The last wave of fundamentalist reading in the West provoked 150 years of violent upheaval as we approach a second wave this powerful book alerts us to our peril "Fundamentalism" and the Word of God J. I. Packer, 1958-12-01 This modern classic by the author of *Knowing God* provides a comprehensive statement of the doctrine of Scripture from an evangelical perspective J I Packer explores the meaning of the word fundamentalism and offers a clear and well reasoned argument for the authority of the Bible and its proper role in the Christian life **Rescuing the Bible from Fundamentalism** John Shelby Spong, 2009-03-17 In this provocative bestseller the outspoken and controversial Bishop John Shelby Spong reveals how literal interpretations of the Bible have been used to justify slavery ban textbooks deny the rights of gays and lesbians subordinate women and justify war and revenge Spong combines current biblical scholarship modern science and most of all his deep love and respect for Scripture to lift the Bible out of the prejudices and

cultural biases of bygone eras Eloquent forthright and compassionate Spong liberates the Bible's message of hope for all people John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000 As a leading spokesperson for an open scholarly and progressive Christianity Bishop Spong has taught at Harvard and at the Graduate Theological Union in Berkeley California He has also lectured at universities conference centers and churches in North America Europe Asia and the South Pacific His books include *A New Christianity for a New World* *Rescuing the Bible from Fundamentalism* *Resurrection Myth or Reality* *Why Christianity Must Change or Die* and his autobiography *Here I Stand* Throughout his career as an Episcopal priest and bishop John Shelby Spong has been surrounded by controversy as he has labored on the leading edge of movements to bring blacks women and homosexuals into the full life of his church New York Times **The**

Bible Tells Them So Kathleen C. Boone, 1989-01-01 Examines the role of the Bible in forming the authority for fundamentalism uses literary theory to assess sermons and offers a fresh look at the movement **What the Bible Really Teaches** Keith Ward, 2004 This prominent theologian adds his contribution to the authority of Scripture debate An impassioned contribution to the debate about the authority of scripture how we read the Bible and how the author believes a fundamentalist reading is unsustainable This book will infuriate many and delight others and will make a valuable contribution to the debate which we plan to join with voices from many corners The book works through a series of Bible passages often cited as proof texts and explores how they can be read and how they are used *"Fundamentalism" and the Word of God* James Innell Packer, 1958-01-01 **Bondage of the Mind** R. D. Gold, 2008 This book develops a compelling argument that applies to all forms of fundamentalist religion **Outgrowing the Bible** Russ Brinegar, 2001-07-01

Biblical Fundamentalism Ronald D. Witherup, 2001 **Fundamentalism** Rod L. Evans, Irwin M. Berent, 1988 Fundamentalism is a world shaking force It has given joy peace of mind and a sense of purpose to millions It has become a formidable political and social movement Yet fundamentalism has apparently disappointed many of its former followers who are now fearful and confused This book explains exactly what has gone wrong with fundamentalism and why It contains no mockery no disrespect and no malice It is a book written with love for those who genuinely want to understand **Escaping from Fundamentalism** James Barr, 1984 This is a pastoral rather than a controversial book Its main aim is not to show fundamentalists that they are wrong but rather to help those who have grown up in the world of fundamentalism or have become committed to it but in the end have come to feel that it is a prison from which they must escape **The Tenacity of Unreasonable Beliefs** Solomon Schimmel, 2008-08-15 The Tenacity of Unreasonable Beliefs is a passionate yet analytical critique of Jewish Christian and Muslim scriptural fundamentalists Schimmel examines the ways in which otherwise intelligent and bright Jews Christians and Muslims defend their belief in the divine authorship of the Bible or of the Koran and other religious beliefs derived from those claims against overwhelming evidence and argument to the contrary from science scholarship common sense and rational analysis He also examines the motives fears and anxieties of scriptural

fundamentalists that induce them to cling so tenaciously to their unreasonable beliefs Schimmel begins with reflections on his own journey from commitment to Orthodox Judaism through doubts about its theological dogmas and doctrines to eventual denial of their truth He follows this with an examination of theological and philosophical debates about the proper relationships between faith reason and revelation Schimmel then devotes separate chapters to Jewish Christian and Muslim scriptural fundamentalism noting their similarities and differences He analyzes in depth the psychological and social reasons why people acquire maintain and protect unreasonable religious beliefs and how they do so Schimmel also discusses unethical and immoral consequences of scriptural fundamentalism such as gender inequality homophobia lack of intellectual honesty self righteousness intolerance propagation of falsehood and in some instances the advocacy of violence and terrorism He concludes with a discussion of why when and where it is appropriate to critique challenge and combat scriptural fundamentalists The Tenacity of Unreasonable Beliefs is thoughtful and provocative written to encourage self reflection and self criticism and to stimulate and to enlighten all who are interested in the psychology of religion and in religious fundamentalism
