follows the crooked path she took from a protected and privileged childhood and early adolescence to her unplanned pregnancy and banishment and to her daughter's birth and adoption. She then delves into the complex journey embarked on over the next thirty-five years haunted by her first child's memory and attempting to compensate for her loss. Ellerby crafts an autoethnography relating and reflecting upon the changes in middle-class American attitudes that informed the conservative suburbs of the fifties through the political revolution of the sixties, seventies, and into today. In so doing, she provides a personal commentary on the shifts in adoption culture and describes the overlooked heartbreak that many birthmothers endure.

**Where Two Worlds Touch** River Faire, 2023-12-04 2024 IBPA Benjamin Franklin Award winner Independent Book Publishers Association award of excellence Editor's Pick BookLife Reviews by Publishers Weekly Indie Books We Love selection LoveReading The UK's Leading Book Recommendation Website After the fairy tale of Happily Ever After ends in heartbreak, what then? From award-winning author River Faire comes an inspiring account of second chances, healing, inexplicable magic, and following the soul's compass. River, an alternative healer and Paris-trained chef, a decidedly reluctant mystic, returns to England from America to help his ex-partner back from the brink of death. Stepping into a London life he left behind, haunted by ghosts, he finds himself on an unanticipated journey of the heart. When the two men relocate to the English countryside, he discovers more than a charming pastoral landscape; he unexpectedly glimpses the fabric of life itself. With disarming honesty and a searching lyrical voice, *Where Two Worlds Touch* is a transcendent narrative about navigating the intricacies of the human heart, no matter whom we love. An invitation to say yes to uncertainty and vulnerability, to trust the unknowable mystery while seeking the place we belong and what is uniquely ours to bring. A genre-defying memoir, one part love story, one part celebration of the table, one part ode to nature, and one part soul guide, woven as an indelible offering that lingers long past the final page.

**Subject Guide to Books in Print**, 1975 **Midwife of the Soul** Shira Friedman, 2025-07 There is something deeply powerful about sharing inspirational stories of personal transformation. In this autobiographical teaching memoir, the reader is given a guided tour into the mind, heart, and soul of a Highly Sensitive Person (HSP). Beginning with a collection of touching childhood vignettes, traumatic life experiences, and prophetic dreams, the author reveals her personal healing journey of self-discovery, her goal to become a midwife of the soul, and her ultimate mission to inspire readers to discover what is possible in their own lives. Each vignette is followed by a prescriptive narrative or reflection intended to teach the reader how to recognize traumatic experiences as a gateway to spiritual awakening. Just as a midwife identifies the signs of impending birth and guides the mother to a safe delivery, a midwife of the soul identifies the signs and symptoms of spiritual birth hidden within life's most difficult challenges. This teaching memoir will encourage the reader to acknowledge their own inner divinity as the highest priority and purpose in life, recognize the soul's cry to be spiritually birthed and nurtured, and to develop the qualities needed to become a midwife of their own sacred soul.

how we perceive our world As we keep in mind that no matter how sincere a perception is that perception can be sincerely wrong As we stretch our understanding without lingering or getting attached to the fears within us we can become whole and well as a new innocence and strength takes root within our souls light Tucked in these pages as if this book was a box of puzzle pieces you will find many thoughts memories parts of a story and pieces of truths that sometimes seem like they have no connection But much like clothes hung on a clothesline or birds sitting on a wire there is one constant connection That connection is how to be well and how to heal from within You will find pieces and parts that may touch your heart May you also find the connection within your own memories childhood heart and soul come together on your own path to defining what healing and being well means to you As you face your own truths in the light of the sacredness of life I hope you will be well When in doubt I trust you may step back and see the bigger picture and just how amazing and wonderful you and your story are     **Soul and Shadow** Kathy Jones,2017-07     [Don't Shoot the Soul's Messengers](#) Jeanine Gaynor,2017-12

**Journey of a Red Soul** Marie Dion,2017-11-06 What Spirit has revealed to me through personal past life experiences and shared stories creates a broad picture of how we return to life again and again to experience the world from different perspectives We have the chance either to heal and grow or to fail to learn and inflict harm on others Which of these scenarios occurs depends on the choices we make and the consequences manifest in this life and our lives to come To know yourself is to know your connection with the divine and your purpose This can only become clear when you mature and grow physically mentally and spiritually Once you are ready synchronicities happen in your life that you cannot explain but they serve as validation that you are moving in the right direction and that you are fulfilling your purpose These events not only validate your path forward but also make the path easier for you Because a soul's evolution is both a personal and interconnected experience there is no avoiding a challenge either personally or on a global and societal scale in life For an individual soul to grow or for all of our souls to grow as a collective people we have to go through the dark times and challenges and make it to the other side to develop clarity and healing This is not an easy task It takes a lot of courage and faith both of which are lacking in the society we live in now However this does not mean things are hopeless for all people A lot of the things we are dealing with in our world now are a reflection of the collective and are happening so that we will once again find our faith We will once again find connection to the unseen world Our country needs to heal its past with the First People for us all to prosper This book is a courageous step in that process Jayne Gabrielle Psychic Counselor and Reiki Master Healer
