Soul Harvest: the World Takes Sides: Book 4 in Left Behind Series Tim LaHaye, 1998      *Left Behind Answered Verse* by David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy      *The Rapture Exposed* Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In *The Rapture Exposed* Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world *The Rapture Exposed* reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community      *Books Out Loud* ,2007      **Forthcoming Books** Rose Arny, 2004      **Words on Cassette**, 2002 R R Bowker Publishing, 2002      Contemporary Authors New Revision Series Tracey Watson, 2005-06 In response to the escalating need for up to date information on writers Contemporary Authors R New Revision Series brings researchers the most recent data on the worlds most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors R entries For your convenience a soft cover cumulative index is sent biannually      **Bowker's Guide to Characters in Fiction** 2007 ,2008-02      **Book Review Digest** ,2000      **Writing the Rapture** Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of

conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature      **Books in Print Supplement** ,2002      The Academy ,1901
