Soul of the Eagle Philip V. Bulone, 2014-05-23 These men of God did much more than pray They patrolled the jungles of Vietnam without weapons They were trained paratroopers ready to jump into combat to meet the spiritual needs of the troopers of the 1st Brigade 101st Airborne Division These were the Chaplains that served God and Country in a war which divided America Along with their assistants they ministered to the wounded and the dead to American troops and the Vietnamese people especially the children whose parents were killed by the Viet Cong On the pages in this book you will go on a journey with what many called the Chaplains Unit the Soul of the Eagle

The Soul of a Warrior Tim Rezac,2020-05-19 There is an intriguing correlation between the physical warfare of an

infantryman and the spiritual warfare of a follower of Jesus Christ Both of these combat situations are challenging intense and life altering Every Christian has been drafted into the army of God and is engaged in battles with spiritual forces Not very many people in comparison have experienced the horrors of earthly combat The author Tim Rezac has experienced both in a very real and personal sense As a devoted disciple of Jesus he had to wrestle with many spiritual and emotional issues during the Vietnam War This book contains many of those issues with biblical comparisons and practical applications for victorious Christian living Some of the chapters may be uncomfortable to read but are necessary for a lucid description of both types of warfare in the real world This book s primary purpose is twofold To encourage fellow believers toward spiritual maturity as soldiers in the Lord s army and to urgently persuade those who have not yet trusted in Jesus Christ as their Savior to do so May you be eternally blessed as you read and ponder the following pages **My Gift to You** Jerald W. Berry, 2010-05-19 The events that inspired these verses are collections of memories and fragments that have merged to form poems The stories of loving experiences between players that looking for love or company ended up with a wounded heart These stanzas represent detailed images of the experiences leading to disenchantments and frustrations that loving and losing produces without forgetting the sublime rapture and ecstasy that loving also inspires These verses touch the essence of the heart and soul appealing to that collective need we call love that human sentiment so powerful that it can make us touch heaven or sink us to darkest depths of hell Unchained Eagle Robert G. Certain, 2010 *The Chaplain & The Corpsman* John Peck, 2023-10-16 Faith God Chaplains and Corpsmen are a big part of my life I truly believe there are people who need to hear my testimony about being a corpsman in the Vietnam War and know that through God all things are possible For example there are veterans and their family members who struggle with PTSD moral injury disability and loss of faith in God I wrote this book to give my testimony to make it available for others So even if this book only helps just one person then the writing of this book will not be in vain In this book you will find men of honor and men of high moral character You will also find love and loathing togetherness and loneliness courage and fear You will surely find fact and fiction hope and despair and man s inhumanity to man The most powerful theme throughout this books is God s place in your life May your troubles reveal that you need God May your battles end the way they should May your bad days prove that God is still good May your trials and tribulations keep you near the cross May your whole life reveal that God is sovereign May God Bless You And Those Around You **It Took Heroes** Claude D. Newby, 2003 The remarkable story of a chaplain who saw more combat than most frontline soldiers in Vietnam earning in the process three Bronze Stars for valor three purple hearts and the Vietnamese Medal of Honor Original
