Soul School Enrolling In A Soulful Lifestyle For Youth Ministry Soul Shaper:

Soul School Jeanne Stevens, 2009-08-01 We all know that youth ministry can be hard Sadly many youth workers walk away from their jobs their callings and their passion because their interior worlds are falling apart That's why Soul School is essential for developing an effective and healthy youth ministry Because while your ministry might look healthy to outsiders only you know that something is lacking It's easy to get so busy caring for the external parts of your ministry that you forget the most important part your soul So spend some time going beneath the surface to the core of who you are Let author Jeanne Stevens help you discover the answers to the deep longings in your soul Soul School will bring you nearer to God into a deeper awareness of yourself into transformational community and on the road toward a healthier future **Soul Shaper**

Tony Jones, 2003 Author Tony Jones follows up his primarily theoretical book Postmodern Youth Ministry with this practical experientially based work focused on how ancient spiritual exercises are being implemented by youth ministries around the United States and Great Britain **Sacred Space** Dan Kimball, Lilly Lewin, 2008-10-17 Sacred Space provides dozens of ideas to help students engage in Scripture and apply the lesson to their own lives Through art listening writing and multi sensory prayer stations students can experience God's Word in a whole new way **Soul Shaping** Stephen W. Smith, 2011 Soul

Shaping is a guide to the amazing journey of spiritual transformation It is anchored in Scripture and filled with practical exercises designed for individual small group or class use These pages contain the challenge to look backward and forward inward and outward remember the past and dream for the future Soul Shaping is an invitation to see yourself as you really are and imagine who you can become an opportunity to explore the very hands of God that have and are shaping your one wild and precious life **Soul Tending** Anne Broyles, 2002 Soul Tending expands on the ideas Kenda Creasy Dean and Ron

Foster put forth in The Godbearing Life The Art of Soul Tending for Youth Ministry published by Upper Room and offers a practical way for senior high youth and young adults to study spiritual disciplines while strengthening relationships among participants The study includes lessons on inward outward and corporate disciplines The goal is that Christ would be formed in each participant Youth and adults co-journ together as they examine classical and contemporary disciplines supporting one another and intentionally seeking encounters with God Key Features Easy to use format allows group members to chart their own course through the book 43 sessions give participants plenty of material to choose from for a spiritual life retreat an occasional session a seasonal study for Lent or Advent a short term option or a weekly covenant group The role of the leader facilitator can change each time the group meets The teaching component can be used as a large group session or as the basis for discussion in the small group or spiritual life retreat **Soul Shaper** Keith W. Drury, 2013 Master teacher Keith Drury has taken the best from his two previous classics Spiritual Disciplines for Ordinary People and With Unveiled Faces and powerfully concentrated and updated it into this new and accessible book offering the wisdom of ancient disciplines in simple practical terms that today's Christians can understand and apply Supported by modern research Drury leads readers

through the heart softening effects of ancient practices But then he takes believers beyond disciplines holding up a mirror to reflect just what our souls should look like when God does the shaping Learn to simply and consistently practice the disciplines God has given you and learn to recognize the new shape God will make of your soul **Soul Survivor** Soul Survivors,2004 Soul Survivor guide to youth ministry is part of Soul Survivor Encounter a program that helps youth leaders use the successful elements of the Soul Survivor ministry to create in their young people a passionate commitment to worshiping God and putting their faith into action Page 4 of cover **SoulShaping (Second Edition)** Douglas J. Rumford,2022-01-10 SoulShaping Second Edition a book in Christian Living and Spirituality presents a readily accessible approach to the broad repertoire of spiritual disciplines that have nurtured God's people across the centuries The premise of SoulShaping is that spiritual growth and vitality are not automatic While God makes and shapes us God also calls us to join actively in shaping our spiritual lives Like a wise parent the Lord cultivates our maturity by not doing all the work for us God provides the raw material of personhood We are given the privilege of forming a healthy life from that raw material Readers initially learn how to diagnosis their spiritual condition using ten symptoms of soul neglect such as spiritual depression losing control over life's routine and vulnerability to temptation They learn five inadequate strategies for personal change including inspiration and will power Readers are shown how to engage the strategy that results in lasting motivation and change by developing a personal vision for their lives as disciples of Jesus Christ That vision becomes reality when readers cultivate the five vital signs of spiritual health and growth God's pace redeems our time God's presence fills our hearts God's perspective renews our minds God's power strengthens our wills God's purpose directs our steps Three specific disciplines support each vital sign For instance under the vital sign of God's pace redeems our time are three disciplines of Redeem Your Time Celebrate Sabbath Rest and Celebrate Sacred Moments After a clear explanation that includes biblical teaching practical stories and illustrations each discipline is summarized in easily referenced Guidelines for practicing that discipline The is also a chart that presents the most effective spiritual disciplines as remedies for their symptoms of soul neglect SoulShaping concludes with practical guidance on how to develop a plan of soul specific disciplines personally tailored to the readers season in their spiritual life and soul condition
